3.9 Sec. 4. Minnesota Statutes 2016, section 123B.52, subdivision 1, is amended to read:

3.10 Subdivision 1. **Contracts.** A contract for work or labor, or for the purchase of furniture,
3.11 fixtures, or other property, except books registered under the copyright laws and information
3.12 systems software, or for the construction or repair of school houses, the estimated cost or
3.13 value of which shall exceed that specified in section 471.345, subdivision 3, must not be
3.14 made by the school board without first advertising for bids or proposals by two weeks'
3.15 published notice in the official newspaper. This notice must state the time and place of
3.16 receiving bids and contain a brief description of the subject matter.

3.17 Additional publication in the official newspaper or elsewhere may be made as the board
3.18 shall deem necessary.

3.19 After taking into consideration conformity with the specifications, terms of delivery,
3.20 and other conditions imposed in the call for bids, every such contract for which a call for
3.21 bids has been issued must be awarded to the lowest responsible bidder, be duly executed
3.22 in writing, and be otherwise conditioned as required by law. The person to whom the contract
3.23 is awarded shall give a sufficient bond to the board for its faithful performance.

3.24 Notwithstanding section 574.26 or any other law to the contrary, on a contract limited to
3.25 the purchase of a finished tangible product, a board may require, at its discretion, a
3.26 performance bond of a contractor in the amount the board considers necessary. A record
3.27 must be kept of all bids, with names of bidders and amount of bids, and with the successful
3.28 bid indicated thereon. A bid containing an alteration or erasure of any price contained in
3.29 the bid which is used in determining the lowest responsible bid must be rejected unless the
3.30 alteration or erasure is corrected as provided in this section. An alteration or erasure may
3.31 be crossed out and the correction thereof printed in ink or typewritten adjacent thereto and
3.32 initialed in ink by the person signing the bid. In the case of identical low bids from two or
3.33 more bidders, the board may, at its discretion, utilize negotiated procurement methods with
3.34 the tied low bidders for that particular transaction, so long as the price paid does not exceed

4.1 the low tied bid price. In the case where only a single bid is received, the board may, at its
4.2 discretion, negotiate a mutually agreeable contract with the bidder so long as the price paid
4.3 does not exceed the original bid. If no satisfactory bid is received, the board may readvertise.
4.4 Standard requirement price contracts established for supplies or services to be purchased
4.5 by the district must be established by competitive bids. Such standard requirement price
4.6 contracts may contain escalation clauses and may provide for a negotiated price increase
4.7 or decrease based upon a demonstrable industrywide or regional increase or decrease in the
4.8 vendor's costs. Either party to the contract may request that the other party demonstrate
4.9 such increase or decrease. The term of such contracts must not exceed two years with an
4.10 option on the part of the district to renew for an additional two years, except as provided in
4.11 subdivision 7. Contracts for the purchase of perishable food items, except milk for school
4.12 lunches and vocational training programs, in any amount may be made by direct negotiation
4.13 by obtaining two or more written quotations for the purchase or sale, when possible, without
4.14 advertising for bids or otherwise complying with the requirements of this section or section
4.15 471.345, subdivision 3. All quotations obtained shall be kept on file for a period of at least
4.16 one year after receipt.

4.17 Every contract made without compliance with the provisions of this section shall be
4.18 void. Except in the case of the destruction of buildings or injury thereto, where the public
4.19 interest would suffer by delay, contracts for repairs may be made without advertising for
4.20 bids.

4.21 **EFFECTIVE DATE.** This section is effective for contracts entered into on or after July
4.22 1, 2017.

4.23 Sec. 5. Minnesota Statutes 2016, section 123B.52, is amended by adding a subdivision to
4.24 read:

4.25 Subd. 7. **Food service contracts.** A contract between a school board and a food service
4.26 management company that complies with Code of Federal Regulations, title 7, section
4.27 210.16, may be renewed annually after its initial term for not more than four additional
4.28 years.

4.29 **EFFECTIVE DATE.** This section is effective for contracts entered into on or after July
4.30 1, 2017.

5.1 Sec. 6. [123B.651] ENERGY USE REDUCTION AND REPORTING FOR PUBLIC
5.2 SCHOOLS.

5.3 Beginning October 1, 2017, each public school or school district reporting on behalf of
5.4 a public school must enter and maintain monthly utility consumption data into the Minnesota
5.5 B3 benchmarking program for all buildings under its custodial control.

5.6 Sec. 7. Minnesota Statutes 2016, section 123B.92, subdivision 1, is amended to read:

5.15 mobile units computed on a straight line basis at the rate of 15 percent per year for districts
5.16 operating a program under section 124D.128 for grades 1 to 12 for all students in the district
5.17 and 12-1/2 percent per year for other districts of the cost of the fleet, plus

5.20 pupil transportation purposes, computed on a straight line basis at the rate of 20 percent per
5.21 year of the cost of the type three school buses by:

5.22 (2) the number of pupils eligible for transportation in the regular category, as defined
5.23 in paragraph (b), clause (1), and the excess category, as defined in paragraph (b), clause

6.13 excluding desegregation transportation and noon kindergarten transportation.

6.14 For the purposes of this paragraph, a district may designate a licensed day care facility,
6.15 school day care facility, respite care facility, the residence of a relative, or the residence of
6.16 a person or other location chosen by the pupil's parent or guardian, or an after-school program
6.17 for children operated by a political subdivision of the state, as the home of a pupil for part

6.20 (2) Excess transportation is:

6.21 (i) transportation to and from school during the regular school year for resident secondary

6.25 traffic, drug, or crime hazards; and

6.26 (ii) transportation to and from school during the regular school year required under
6.27 subdivision 3 for nonresident secondary pupils when the distance from the attendance area

6.30 school is less than one mile from the school and who are transported because of full-service
6.31 school zones, extraordinary traffic, drug, or crime hazards.

7.1 (3) Desegregation transportation is transportation within and outside of the district during
7.2 the regular school year of pupils to and from schools located outside their normal attendance
7.3 areas under a plan for desegregation mandated by the commissioner or under court order.

7.4 (4) "Transportation services for pupils with disabilities" is:

7.5 (i) transportation of pupils with disabilities who cannot be transported on a regular school
7.6 bus between home or a respite care facility and school;

7.7 (ii) necessary transportation of pupils with disabilities from home or from school to
7.8 other buildings, including centers such as developmental achievement centers, hospitals,

7.29 education program or in conjunction with a learning year program established under section

7.31 For purposes of computing special education initial aid under section 125A.76, the cost
7.32 of providing transportation for children with disabilities includes (A) the additional cost of
7.33 transporting a student in a shelter care facility as defined in section 260C.007, subdivision

8.25 Sec. 8. Minnesota Statutes 2016, section 126C.17, subdivision 9, is amended to read:

8.26 Subd. 9. **Referendum revenue.** (a) The revenue authorized by section 126C.10,
8.27 subdivision 1, may be increased in the amount approved by the voters of the district at a
8.28 referendum called for the purpose. The referendum may be called by the board. The
8.29 referendum must be conducted one or two calendar years before the increased levy authority,
8.30 if approved, first becomes payable. Only one election to approve an increase may be held
8.31 in a calendar year. Unless the referendum is conducted by mail under subdivision 11,
8.32 paragraph (a), the referendum must be held on the first Tuesday after the first Monday in
8.33 November. The ballot must state the maximum amount of the increased revenue per adjusted

9.1 pupil unit. The ballot may state a schedule, determined by the board, of increased revenue
9.2 per adjusted pupil unit that differs from year to year over the number of years for which the
9.3 increased revenue is authorized or may state that the amount shall increase annually by the
9.4 rate of inflation. For this purpose, the rate of inflation shall be the annual inflationary increase
9.5 calculated under subdivision 2, paragraph (b). The ballot may state that existing referendum
9.6 levy authority is expiring. In this case, the ballot may also compare the proposed levy
9.7 authority to the existing expiring levy authority, and express the proposed increase as the
9.8 amount, if any, over the expiring referendum levy authority. The ballot must designate the
9.9 specific number of years, not to exceed ten, for which the referendum authorization applies.
9.10 The ballot, including a ballot on the question to revoke or reduce the increased revenue
9.11 amount under paragraph (c), must abbreviate the term "per adjusted pupil unit" as "per
9.12 pupil." The notice required under section 275.60 may be modified to read, in cases of
9.13 renewing existing levies at the same amount per pupil as in the previous year:

9.14 "BY VOTING "YES" ON THIS BALLOT QUESTION, YOU ARE VOTING TO
9.15 EXTEND AN EXISTING PROPERTY TAX REFERENDUM THAT IS SCHEDULED
9.16 TO EXPIRE."

9.17 The ballot may contain a textual portion with the information required in this subdivision
9.18 and a question stating substantially the following:

9.19 "Shall the increase in the revenue proposed by (petition to) the board of, School
9.20 District No. ..., be approved?"

9.21 If approved, an amount equal to the approved revenue per adjusted pupil unit times the
9.22 adjusted pupil units for the school year beginning in the year after the levy is certified shall
9.23 be authorized for certification for the number of years approved, if applicable, or until
9.24 revoked or reduced by the voters of the district at a subsequent referendum.

9.25 (b) The board must ~~prepare and~~ deliver by ~~first class~~ mail at least 15 days but no more
9.26 than 30 days before the day of the referendum to each taxpayer a notice of the referendum
9.27 and the proposed revenue increase. The board need not mail more than one notice to any
9.28 taxpayer. For the purpose of giving mailed notice under this subdivision, owners must be
9.29 those shown to be owners on the records of the county auditor or, in any county where tax
9.30 statements are mailed by the county treasurer, on the records of the county treasurer. Every
9.31 property owner whose name does not appear on the records of the county auditor or the
9.32 county treasurer is deemed to have waived this mailed notice unless the owner has requested
9.33 in writing that the county auditor or county treasurer, as the case may be, include the name
9.34 on the records for this purpose. The notice must project the anticipated amount of tax increase

10.1 in annual dollars for typical residential homesteads, agricultural homesteads, apartments,
10.2 and commercial-industrial property within the school district.

10.3 The notice for a referendum may state that an existing referendum levy is expiring and
10.4 project the anticipated amount of increase over the existing referendum levy in the first
10.5 year, if any, in annual dollars for typical residential homesteads, agricultural homesteads,
10.6 apartments, and commercial-industrial property within the district.

10.7 The notice must include the following statement: "Passage of this referendum will result
10.8 in an increase in your property taxes." However, in cases of renewing existing levies, the
10.9 notice may include the following statement: "Passage of this referendum extends an existing
10.10 operating referendum at the same amount per pupil as in the previous year."

10.11 (c) A referendum on the question of revoking or reducing the increased revenue amount
10.12 authorized pursuant to paragraph (a) may be called by the board. A referendum to revoke
10.13 or reduce the revenue amount must state the amount per adjusted pupil unit by which the
10.14 authority is to be reduced. Revenue authority approved by the voters of the district pursuant
10.15 to paragraph (a) must be available to the school district at least once before it is subject to
10.16 a referendum on its revocation or reduction for subsequent years. Only one revocation or
10.17 reduction referendum may be held to revoke or reduce referendum revenue for any specific
10.18 year and for years thereafter.

10.19 (d) The approval of 50 percent plus one of those voting on the question is required to
10.20 pass a referendum authorized by this subdivision.

10.21 (e) At least 15 days before the day of the referendum, the district must submit a copy of
10.22 the notice required under paragraph (b) to the commissioner and to the county auditor of
10.23 each county in which the district is located. Within 15 days after the results of the referendum
10.24 have been certified by the board, or in the case of a recount, the certification of the results
10.25 of the recount by the canvassing board, the district must notify the commissioner of the
10.26 results of the referendum.

10.27 **EFFECTIVE DATE.** This section is effective August 1, 2017.

10.28 Sec. 9. Minnesota Statutes 2016, section 127A.45, subdivision 10, is amended to read:

10.29 Subd. 10. **Payments to school nonoperating funds.** Each fiscal year state general fund
10.30 payments for a district nonoperating fund must be made at the current year aid payment
10.31 percentage of the estimated entitlement during the fiscal year of the entitlement. This amount
10.32 shall be paid in ~~12~~ six equal monthly installments from July through December. The amount
10.33 of the actual entitlement, after adjustment for actual data, minus the payments made during

11.1 the fiscal year of the entitlement must be paid prior to October 31 of the following school
11.2 year. The commissioner may make advance payments of debt service equalization aid and
11.3 state-paid tax credits for a district's debt service fund earlier than would occur under the
11.4 preceding schedule if the district submits evidence showing a serious cash flow problem in
11.5 the fund. The commissioner may make earlier payments during the year and, if necessary,
11.6 increase the percent of the entitlement paid to reduce the cash flow problem.

11.7 Sec. 10. **REPEALER.**

11.8 Minnesota Statutes 2016, section 124D.73, subdivision 2, is repealed.

11.9 **ARTICLE 2**

11.26 (b) For purposes of applicable federal law, the academic standards for language arts,
11.27 mathematics, and science apply to all public school students, except the very few students
11.28 with extreme cognitive or physical impairments for whom an individualized education
11.29 program team has determined that the required academic standards are inappropriate. An
11.30 individualized education program team that makes this determination must establish
11.31 alternative standards.

12.1 (c) Beginning in the 2016-2017 school year, the department must adopt the most recent
 12.2 ~~National Association of Sport and Physical Education~~ SHAPE America (Society of Health

 12.4 physical education as the required physical education academic standards. The department
 12.5 may modify and adapt the national standards to accommodate state interest. The modification
 12.6 and adaptations must maintain the purpose and integrity of the national standards. The
 12.7 department must make available sample assessments, which school districts may use as an
 12.8 alternative to local assessments, to assess students' mastery of the physical education
 12.9 standards beginning in the 2018-2019 school year.

12.10 (d) District efforts to develop, implement, or improve instruction or curriculum as a
 12.11 result of the provisions of this section must be consistent with sections 120B.10, 120B.11,
 12.12 and 120B.20.

12.13 **EFFECTIVE DATE.** This section is effective the day following final enactment and
 12.14 is retroactive to July 1, 2016.

12.15 Sec. 2. Minnesota Statutes 2016, section 120B.021, subdivision 3, is amended to read:

12.16 Subd. 3. **Rulemaking.** The commissioner, consistent with the requirements of this section
 12.17 and section 120B.022, must adopt statewide rules under section 14.389 for implementing
 12.18 statewide rigorous core academic standards in language arts, mathematics, science, social
 12.19 studies, physical education, and the arts. After the rules authorized under this subdivision
 12.20 are initially adopted, the commissioner may not amend or repeal these rules nor adopt new
 12.21 rules on the same topic without specific legislative authorization. ~~The academic standards~~
 12.22 ~~for language arts, mathematics, and the arts must be implemented for all students beginning~~
 12.23 ~~in the 2003-2004 school year. The academic standards for science and social studies must~~
 12.24 ~~be implemented for all students beginning in the 2005-2006 school year.~~

12.25 Sec. 3. Minnesota Statutes 2016, section 120B.022, subdivision 1b, is amended to read:

12.26 Subd. 1b. **State bilingual and multilingual seals.** (a) Consistent with efforts to strive
 12.27 for the world's best workforce under sections 120B.11 and 124E.03, subdivision 2, paragraph
 12.28 (i), and close the academic achievement and opportunity gap under sections 124D.861 and
 12.29 124D.862, voluntary state bilingual and multilingual seals are established to recognize high
 12.30 school students in any Minnesota public, charter, or nonpublic school who demonstrate an
 12.31 advanced-low level or an intermediate high level of functional proficiency in listening,
 12.32 speaking, reading, and writing on either assessments aligned with American Council on the
 12.33 Teaching of Foreign Languages' (ACTFL) proficiency guidelines or on equivalent valid

13.1 and reliable assessments in one or more languages in addition to English. American Sign
13.2 Language is a language other than English for purposes of this subdivision and a world
13.3 language for purposes of subdivision 1a.

13.4 (b) In addition to paragraph (a), to be eligible to receive a seal:

13.5 (1) students must satisfactorily complete all required English language arts credits; and

13.6 (2) students must demonstrate mastery of Minnesota's English language proficiency
13.7 standards.

13.8 (c) Consistent with this subdivision, a high school student who demonstrates an
13.9 intermediate high ACTFL level of functional proficiency in one language in addition to
13.10 English is eligible to receive the state bilingual gold seal. A high school student who
13.11 demonstrates an intermediate high ACTFL level of functional native proficiency in more
13.12 than one language in addition to English is eligible to receive the state multilingual gold
13.13 seal. A high school student who demonstrates an advanced-low ACTFL level of functional
13.14 proficiency in one language in addition to English is eligible to receive the state bilingual
13.15 platinum seal. A high school student who demonstrates an advanced-low ACTFL level of
13.16 functional proficiency in more than one language in addition to English is eligible to receive
13.17 the state multilingual platinum seal.

13.18 (d) School districts and charter schools may give students periodic opportunities to
13.19 demonstrate their level of proficiency in listening, speaking, reading, and writing in a
13.20 language in addition to English. Where valid and reliable assessments are unavailable, a
13.21 school district or charter school may rely on evaluators trained in assessing under ACTFL
13.22 proficiency guidelines to assess a student's level of foreign, heritage, or indigenous language
13.23 proficiency under this section. School districts and charter schools must maintain appropriate
13.24 records to identify high school students eligible to receive the state bilingual or multilingual
13.25 gold and platinum seals. The school district or charter school must affix the appropriate seal
13.26 to the transcript of each high school student who meets the requirements of this subdivision
13.27 and may affix the seal to the student's diploma. A school district or charter school must not
13.28 charge the high school student a fee for this seal.

13.29 (e) A school district or charter school may award elective course credits in world
13.30 languages to a student who demonstrates the requisite proficiency in a language other than
13.31 English under this section.

13.32 (f) A school district or charter school may award community service credit to a student
13.33 who demonstrates an intermediate high or advanced-low ACTFL level of functional
13.34 proficiency in listening, speaking, reading, and writing in a language other than English

14.1 and who participates in community service activities that are integrated into the curriculum,
14.2 involve the participation of teachers, and support biliteracy in the school or local community.

14.3 (g) The commissioner must list on the Web page those assessments that are aligned to
14.4 ACTFL proficiency guidelines.

14.5 (h) By August 1, 2015, the colleges and universities of the Minnesota State Colleges
14.6 and Universities system must establish criteria to translate the seals into college credits
14.7 based on the world language course equivalencies identified by the Minnesota State Colleges
14.8 and Universities faculty and staff and, upon request from an enrolled student, the Minnesota
14.9 State Colleges and Universities may award foreign language credits to a student who receives
14.10 a Minnesota World Language Proficiency Certificate under subdivision 1a. A student who
14.11 demonstrated the requisite level of language proficiency in grade 10, 11, or 12 to receive a
14.12 seal or certificate and is enrolled in a Minnesota State Colleges and Universities institution
14.13 must request college credits for the student's seal or proficiency certificate within three
14.14 academic years after graduating from high school. The University of Minnesota is encouraged
14.15 to award students foreign language academic credits consistent with this paragraph.

14.16 Sec. 4. Minnesota Statutes 2016, section 120B.12, is amended to read:

14.17 **120B.12 READING PROFICIENTLY NO LATER THAN THE END OF GRADE**
14.18 **3.**

14.19 Subdivision 1. **Literacy goal.** The legislature seeks to have every child reading at or
14.20 above grade level no later than the end of grade 3, including English learners, students
14.21 receiving literacy interventions under section 125A.56, and students in an approved program
14.22 under section 125A.50, and that teachers provide comprehensive, scientifically based reading
14.23 instruction consistent with section 122A.06, subdivision 4.

14.24 Subd. 1a. **Definitions.** (a) For the purposes of this section, the terms defined in this
14.25 subdivision have the meanings given them.

14.26 (b) "Core reading instruction" means the curriculum, assessments, materials, and
14.27 instructional practices with which all students are actively engaged to achieve and exceed
14.28 proficiency standards.

14.29 (c) "Diagnostic" means assessment intended to identify students' specific areas of need
14.30 related to literacy to inform instructional decisions.

14.31 (d) "Evidence-based" means demonstrating a statistically significant effect on improving
14.32 student outcomes or other relevant outcomes based on strong evidence from one or more
14.33 quality experimental studies, moderate evidence from one or more quasi-experimental

15.1 studies, or promising evidence from one or more correlational studies with statistical controls
15.2 for selection bias.

15.3 (e) "Fidelity" means the extent to which a practice, program, or strategy is implemented
15.4 as designed.

15.5 (f) "Multisensory instruction" means instruction that incorporates opportunities to practice
15.6 that include seeing, hearing, saying, and physically doing.

15.7 (g) "Multitiered system of supports" means a framework to improve outcomes for all
15.8 students that organizes district-level resources to address each individual student's needs,
15.9 such as academic or behavior needs or both, that includes: screening of all students using
15.10 valid and reliable measures; tiers of instruction that vary in intensity; collaborative teams
15.11 that review data, problem solve, and organize instruction; frequent progress monitoring
15.12 using valid and reliable measures to determine the impact of evidence-based interventions;
15.13 and a system to ensure that instruction including interventions are evidence-based and
15.14 implemented with fidelity. For the purposes of this section, the multitiered system applies
15.15 to the development of literacy to increase the number of students meeting proficiency
15.16 standards.

15.17 (h) "Progress monitoring" means frequent assessment to examine a student's rate of
15.18 progress on specific skills in order to guide decisions regarding the effectiveness of
15.19 intervention programs, as well as assisting in making additional instructional decisions for
15.20 a student.

15.21 (i) "Screening" means systematically assessing all students on literacy indicators for the
15.22 purpose of identifying students who may require additional support and who are at risk of
15.23 poor learning outcomes. Screening assessments are typically brief, conducted with all
15.24 students at a grade level, and followed by additional testing or short-term progress monitoring
15.25 to corroborate students' risk status.

15.26 (j) "Supplemental and intensive instruction" means instruction that increases the intensity
15.27 and practice of an activity, which is accomplished primarily by increasing the instructional
15.28 time, reducing the size of the group, and focusing the instruction.

15.29 (k) "Systematic and explicit instruction" means instruction that logically builds from
15.30 the smallest to more complex concepts such that there is no confusion or doubt and includes
15.31 specific design and delivery procedures.

15.32 Subd. 2. **Identification; report.** (a) Each school district shall identify before the end of
15.33 kindergarten, grade 1, and grade 2 students who are not reading at grade level before the

16.1 end of the current school year. ~~Reading~~ The district must use locally adopted,
 16.2 developmentally appropriate, and culturally responsive screening and diagnostic assessments
 16.3 in English, and in the predominant languages of district students, where practicable, must
 16.4 to identify and evaluate students' areas of academic need related to literacy. The district
 16.5 also must monitor the progress and provide reading instruction appropriate to the specific
 16.6 needs of English learners. The district must ~~use a locally adopted, developmentally~~
 16.7 ~~appropriate, and culturally responsive assessment~~ and annually report each of the following
 16.8 to the commissioner by July 1:

16.9 (1) a summary of assessment results to the commissioner by July 1; and

16.10 (2) ~~The district also must annually report~~ a summary of the district's efforts to screen
 16.11 and identify students with dyslexia consistent with section 125A.01 or convergence
 16.12 insufficiency disorder ~~to the commissioner by July 1.~~

16.13 (b) A student identified under this subdivision, including English learners, students with
 16.14 identified reading disorders, and students with disabilities, must be provided ~~with alternate~~
 16.15 ~~instruction under section 125A.56, subdivision 1~~ additional evidence-based literacy practices
 16.16 such as through a system of multitiered supports or specially designed instructional services
 16.17 as identified in an individualized education program.

16.18 Subd. 2a. **Parent notification and involvement.** Schools, at least annually, must give
 16.19 the parent of each student who is not reading at or above grade level timely information
 16.20 about:

16.21 (1) the student's reading proficiency as measured by a locally adopted assessment;

16.22 (2) reading-related services currently being provided to the student and the student's
 16.23 progress; and

16.24 (3) strategies for parents to use at home in helping their student succeed in becoming
 16.25 grade-level proficient in reading in English and in their native language.

16.26 A district may not use this section to deny a student's right to a special education
 16.27 evaluation.

16.28 Subd. 3. **Intervention.** (a) For each student identified under subdivision 2, the district
 16.29 shall provide reading intervention, such as through a multitiered system of supports, to
 16.30 accelerate student growth and reach the goal of reading at or above grade level by the end
 16.31 of the current grade and school year consistent with sections 125A.50 and 125A.56,
 16.32 subdivision 2. Reading instruction and interventions must be appropriate to the specific
 16.33 needs of English learners.

17.1 (b) District intervention methods shall encourage family engagement and, where possible,
17.2 collaboration with appropriate school and community programs.

17.3 (c) Intervention ~~methods~~ delivery options may include, but are not limited to, requiring
17.4 attendance in summer school, intensified reading instruction that may require that the student
17.5 be removed from the regular classroom for part of the school day, specially designed
17.6 instruction for students who qualify for special education services, extended-day programs,
17.7 or programs that strengthen students' cultural connections.

17.8 (d) Intervention methods matched to the needs, stage of development, and culture of the
17.9 students engaging with the instruction must include, but are not limited to:

17.10 (1) evidence-based practices delivered with fidelity;

17.11 (2) systematic, explicit, multisensory instruction with sufficient practice;

17.12 (3) provision of timely error correction and positive feedback to students;

17.13 (4) use of progress monitoring data for decision making; and

17.14 (5) supplemental and intensive instruction.

17.15 (e) A student, other than a student under an individualized education program (IEP),
17.16 who is unable to demonstrate grade-level proficiency as measured by the statewide reading
17.17 assessment in grade 3 shall receive a personal learning plan in a format determined by the
17.18 school or school district in consultation with classroom teachers, and developed and updated
17.19 as needed in consultation, to the extent practicable, with the student and the student's parents
17.20 by the classroom teachers and other qualified school professionals involved with the student's
17.21 elementary school progress. A personal learning plan shall address knowledge gaps and
17.22 skill deficiencies through strategies such as specific exercises and practices during and
17.23 outside of the regular school day, periodic assessments and timelines, and may include grade
17.24 retention, if necessary, to meet the student's best interests. Intervention must continue after
17.25 grade 3 until the student is reading at grade level.

17.26 **Subd. 4. Staff development.** Each district shall use the data under subdivision 2 to
17.27 identify the staff development needs so that:

17.28 (1) elementary teachers are able to implement comprehensive, scientifically based reading
17.29 and oral language instruction in the five reading areas of phonemic awareness, phonics,
17.30 fluency, vocabulary, and comprehension as defined in section 122A.06, subdivision 4, and
17.31 other literacy-related areas including writing until the student achieves grade-level reading
17.32 proficiency;

18.1 (2) elementary teachers have sufficient training to provide comprehensive, scientifically
18.2 based reading and oral language instruction that meets students' developmental, linguistic,
18.3 and literacy needs using the intervention methods or programs selected by the district for
18.4 the identified students;

18.5 (3) licensed teachers employed by the district have regular opportunities to improve
18.6 reading and writing instruction;

18.7 (4) licensed teachers recognize students' diverse needs in cross-cultural settings and are
18.8 able to serve the oral language and linguistic needs of students who are English learners by
18.9 maximizing strengths in their native languages in order to cultivate students' English language
18.10 development, including oral academic language development, and build academic literacy;
18.11 and

18.12 (5) licensed teachers are well trained in culturally responsive pedagogy that enables
18.13 students to master content, develop skills to access content, and build relationships.

18.14 Subd. 4a. **Local literacy plan.** (a) Consistent with this section, a school district must
18.15 adopt a local literacy plan to have every child reading at or above grade level no later than
18.16 the end of grade 3, including English learners. The plan must be consistent with section
18.17 122A.06, subdivision 4, and include the following:

18.18 (1) a process to assess students' level of reading proficiency and data to support the
18.19 effectiveness of an assessment used to screen and identify a student's level of reading
18.20 proficiency;

18.21 (2) a process to notify and involve parents;

18.22 (3) a description of how schools in the district will determine the proper reading
18.23 intervention strategy for a student and the process for intensifying or modifying the reading
18.24 strategy in order to obtain measurable reading progress;

18.25 (4) evidence-based intervention methods for students who are not reading at or above
18.26 grade level and progress monitoring to provide information on the effectiveness of the
18.27 intervention; and

18.28 (5) identification of staff development needs, including a program to meet those needs.

18.29 (b) The district must post its literacy plan on the official school district Web site.

18.30 Subd. 5. **Commissioner.** The commissioner shall recommend to districts multiple
18.31 assessment tools to assist districts and teachers with identifying students under subdivision
18.32 2. The commissioner shall also make available examples of nationally recognized and

19.1 research-based instructional methods or programs to districts to provide comprehensive,
19.2 scientifically based reading instruction and intervention under this section.

19.3 **EFFECTIVE DATE.** This section is effective for fiscal year 2018 and later.

19.4 Sec. 5. Minnesota Statutes 2016, section 120B.125, is amended to read:

19.5 **120B.125 PLANNING FOR STUDENTS' SUCCESSFUL TRANSITION TO**
19.6 **POSTSECONDARY EDUCATION AND EMPLOYMENT; PERSONAL LEARNING**
19.7 **PLANS.**

19.8 (a) Consistent with sections 120B.13, 120B.131, 120B.132, 120B.14, 120B.15, 120B.30,
19.9 subdivision 1, paragraph (c), 125A.08, and other related sections, school districts, beginning
19.10 in the 2013-2014 school year, must assist all students by no later than grade 9 to explore
19.11 their educational, college, and career interests, aptitudes, and aspirations and develop a plan
19.12 for a smooth and successful transition to postsecondary education or employment. All
19.13 students' plans must:

19.14 (1) provide a comprehensive plan to prepare for and complete a career and college ready
19.15 curriculum by meeting state and local academic standards and developing career and
19.16 employment-related skills such as team work, collaboration, creativity, communication,
19.17 critical thinking, and good work habits;

19.18 (2) emphasize academic rigor and high expectations, and inform the student and their
19.19 parent or guardian, if the student is a minor, of the student's achievement level score on the
19.20 Minnesota Comprehensive Assessments that are administered during high school;

19.21 (3) help students identify interests, aptitudes, aspirations, and personal learning styles
19.22 that may affect their career and college ready goals and postsecondary education and
19.23 employment choices;

19.24 (4) set appropriate career and college ready goals with timelines that identify effective
19.25 means for achieving those goals;

19.26 (5) help students access education and career options;

19.27 (6) integrate strong academic content into career-focused courses and applied and
19.28 experiential learning opportunities and integrate relevant career-focused courses and applied
19.29 and experiential learning opportunities into strong academic content;

19.30 (7) help identify and access appropriate counseling and other supports and assistance
19.31 that enable students to complete required coursework, prepare for postsecondary education

20.1 and careers, and obtain information about postsecondary education costs and eligibility for
20.2 financial aid and scholarship;

20.3 (8) help identify collaborative partnerships among prekindergarten through grade 12
20.4 schools, postsecondary institutions, economic development agencies, and local and regional
20.5 employers that support students' transition to postsecondary education and employment and
20.6 provide students with applied and experiential learning opportunities; and

20.7 (9) be reviewed and revised at least annually by the student, the student's parent or
20.8 guardian, and the school or district to ensure that the student's course-taking schedule keeps
20.9 the student making adequate progress to meet state and local academic standards and high
20.10 school graduation requirements and with a reasonable chance to succeed with employment
20.11 or postsecondary education without the need to first complete remedial course work.

20.12 (b) A school district may develop grade-level curricula or provide instruction that
20.13 introduces students to various careers, but must not require any curriculum, instruction, or
20.14 employment-related activity that obligates an elementary or secondary student to involuntarily
20.15 select or pursue a career, career interest, employment goals, or related job training.

20.16 (c) Educators must possess the knowledge and skills to effectively teach all English
20.17 learners in their classrooms. School districts must provide appropriate curriculum, targeted
20.18 materials, professional development opportunities for educators, and sufficient resources
20.19 to enable English learners to become career and college ready.

20.20 (d) When assisting students in developing a plan for a smooth and successful transition
20.21 to postsecondary education and employment, districts must recognize the unique possibilities
20.22 of each student and ensure that the contents of each student's plan reflect the student's unique
20.23 talents, skills, and abilities as the student grows, develops, and learns.

20.24 (e) If a student with a disability has an individualized education program (IEP) or
20.25 standardized written plan that meets the plan components of this section, the IEP satisfies
20.26 the requirement and no additional transition plan is needed.

20.27 (f) Students who do not meet or exceed Minnesota academic standards, as measured by
20.28 the Minnesota Comprehensive Assessments that are administered during high school, shall
20.29 be informed that admission to a public school is free and available to any resident under 21
20.30 years of age or who meets the requirements of section 120A.20, subdivision 1, paragraph

20.31 (c). A student's plan under this section shall continue while the student is enrolled.

20.32 **EFFECTIVE DATE.** This section is effective July 1, 2017.

21.1 Sec. 6. Minnesota Statutes 2016, section 120B.30, subdivision 1a, is amended to read:

21.2 Subd. 1a. **Statewide and local assessments; results.** (a) For purposes of this section,
21.3 the following definitions have the meanings given them.

21.4 (1) "Computer-adaptive assessments" means ~~fully~~ adaptive assessments.

21.5 (2) ~~"Fully adaptive assessments"~~ "Adaptive assessments" include test items that are
21.6 on-grade level and items that may be above or below a student's grade level.

21.7 (3) ~~"On-grade level"~~ test items contain subject area content that is aligned to state
21.8 academic standards for the grade level of the student taking the assessment.

21.9 (4) ~~"Above-grade level"~~ test items contain subject area content that is above the grade
21.10 level of the student taking the assessment and is considered aligned with state academic
21.11 standards to the extent it is aligned with content represented in state academic standards
21.12 above the grade level of the student taking the assessment. Notwithstanding the student's
21.13 grade level, administering above-grade level test items to a student does not violate the
21.14 requirement that state assessments must be aligned with state standards.

21.15 (5) ~~"Below-grade level"~~ test items contain subject area content that is below the grade
21.16 level of the student taking the test and is considered aligned with state academic standards
21.17 to the extent it is aligned with content represented in state academic standards below the
21.18 student's current grade level. Notwithstanding the student's grade level, administering
21.19 below-grade level test items to a student does not violate the requirement that state
21.20 assessments must be aligned with state standards.

21.21 (b) The commissioner must use ~~fully~~ adaptive mathematics and reading assessments for
21.22 grades 3 through 8.

21.23 (c) For purposes of conforming with existing federal educational accountability
21.24 requirements, the commissioner must develop and implement computer-adaptive reading
21.25 and mathematics assessments for grades 3 through 8, state-developed high school reading
21.26 and mathematics tests aligned with state academic standards, a high school writing test
21.27 aligned with state standards when it becomes available, and science assessments under
21.28 clause (2) that districts and sites must use to monitor student growth toward achieving those
21.29 standards. The commissioner must not develop statewide assessments for academic standards
21.30 in social studies, health and physical education, and the arts. The commissioner must require:

21.31 (1) annual computer-adaptive reading and mathematics assessments in grades 3 through
21.32 8, and high school reading, writing, and mathematics tests; and

22.1 (2) annual science assessments in one grade in the grades 3 through 5 span, the grades
22.2 6 through 8 span, and a life sciences assessment in the grades 9 through 12 span, and the
22.3 commissioner must not require students to achieve a passing score on high school science
22.4 assessments as a condition of receiving a high school diploma.

22.5 (d) The commissioner must ensure that for annual computer-adaptive assessments:

22.6 (1) individual student performance data and achievement reports are available within
22.7 three school days of when students take an assessment except in a year when an assessment
22.8 reflects new performance standards;

22.9 (2) growth information is available for each student from the student's first assessment
22.10 to each proximate assessment using a constant measurement scale;

22.11 (3) parents, teachers, and school administrators are able to use elementary and middle
22.12 school student performance data to project students' secondary and postsecondary
22.13 achievement; and

22.14 (4) useful diagnostic information about areas of students' academic strengths and
22.15 weaknesses is available to teachers and school administrators for improving student
22.16 instruction and indicating the specific skills and concepts that should be introduced and
22.17 developed for students at given performance levels, organized by strands within subject
22.18 areas, and aligned to state academic standards.

22.19 (e) The commissioner must ensure that all state tests administered to elementary and
22.20 secondary students measure students' academic knowledge and skills and not students'
22.21 values, attitudes, and beliefs.

22.22 (f) Reporting of state assessment results must:

22.23 (1) provide timely, useful, and understandable information on the performance of
22.24 individual students, schools, school districts, and the state;

22.25 (2) include a growth indicator of student achievement; and

22.26 (3) determine whether students have met the state's academic standards.

22.27 (g) Consistent with applicable federal law, the commissioner must include appropriate,
22.28 technically sound accommodations or alternative assessments for the very few students with
22.29 disabilities for whom statewide assessments are inappropriate and for English learners.

22.30 (h) A school, school district, and charter school must administer statewide assessments
22.31 under this section, as the assessments become available, to evaluate student progress toward
22.32 career and college readiness in the context of the state's academic standards. A school,

23.1 school district, or charter school may use a student's performance on a statewide assessment
 23.2 as one of multiple criteria to determine grade promotion or retention. A school, school
 23.3 district, or charter school may use a high school student's performance on a statewide
 23.4 assessment as a percentage of the student's final grade in a course, or place a student's
 23.5 assessment score on the student's transcript.

32.4 a new contract, the school must be dissolved according to applicable law and the terms of
32.5 the contract.

32.6 (c) If the governing board of an approved authorizer votes to withdraw as an authorizer
32.7 under section 124E.05, subdivision 7, the proposed authorizer may submit a transfer request

39.20 Section 1. Minnesota Statutes 2016, section 125A.0941, is amended to read:

39.21 **125A.0941 DEFINITIONS.**

39.22 (a) The following terms have the meanings given them.

39.23 (b) "Emergency" means a situation where immediate intervention is needed to protect
39.24 a child or other individual from physical injury. Emergency does not mean circumstances
39.25 such as: a child who does not respond to a task or request and instead places his or her head
39.26 on a desk or hides under a desk or table; a child who does not respond to a staff person's
39.27 request unless failing to respond would result in physical injury to the child or other
39.28 individual; or an emergency incident has already occurred and no threat of physical injury
39.29 currently exists.

39.30 (c) "Physical holding" means physical intervention intended to hold a child immobile
39.31 or limit a child's movement, where body contact is the only source of physical restraint, and

40.1 where immobilization is used to effectively gain control of a child in order to protect a child
40.2 or other individual from physical injury. The term physical holding does not mean physical
40.3 contact that:

40.4 (1) helps a child respond or complete a task;

40.5 (2) assists a child without restricting the child's movement;

40.6 (3) is needed to administer an authorized health-related service or procedure; or

40.7 (4) is needed to physically escort a child when the child does not resist or the child's
40.8 resistance is minimal.

40.9 (d) "Positive behavioral interventions and supports" means interventions and strategies
40.10 to improve the school environment and teach children the skills to behave appropriately,
40.11 including the key components under section 122A.627.

40.12 (e) "Prone restraint" means placing a child in a face down position.

40.13 (f) "Restrictive procedures" means the use of physical holding or seclusion in an
40.14 emergency. Restrictive procedures must not be used to punish or otherwise discipline a
40.15 child.

40.16 (g) "Seclusion" means confining a child alone in a room from which egress is barred.
40.17 Egress may be barred by an adult locking or closing the door in the room or preventing the
40.18 child from leaving the room. Removing a child from an activity to a location where the
40.19 child cannot participate in or observe the activity is not seclusion.

40.20 Sec. 2. Minnesota Statutes 2016, section 125A.515, is amended to read:

41.18 education services must be provided to that student.

41.19 Subd. 5. **Education programs for students placed in children's residential facilities.**

41.24 least the student's transcript, and for students with disabilities, the most recent individualized
41.25 education program (IEP) and evaluation report, ~~and to determine if the student has been~~
41.26 ~~identified as a student with a disability.~~ The resident district must send a facsimile copy to
41.27 the providing district within two business days of receiving the request.

41.28 (b) If a student placed under this section has been identified as having a disability and

42.14 in a facility under this section for 15 or more business days, the providing district must
42.15 prepare an exit report summarizing the regular education, special education, evaluation,
42.16 educational progress, and service information and must send the report to the resident district
42.17 and the next providing district if different, the parent or legal guardian, and any appropriate
42.18 social service agency. For students with disabilities, this report must include the student's

42.27 consultation with treatment providers, requires an alteration in the length of the school day.

42.28 **Subd. 8. Placement, services, and due process.** When a student's treatment and
