The Honorable Governor Dayton,

I am writing to apply for the position of Greater MN Superintendent representative on the new Professional Licensure Standards Board. I am currently beginning my second term on the current Board of Teaching and have learned a lot. There is so much more to learn and I would be honored to assist my profession as well as the State with my experience as an administrator in MN schools the past 21 years. The key strengths that I possess for this position include:

- I am 50 years old and have been at Westbrook Walnut Grove School district since the consolidation in 2001. I have served as a MN Superintendent for the past 19 years and have been a 7-12 Principal 1995 – 2001 and most recently a combination Superintendent and 7-12 Principal this past school year.
- Until I became the Superintendent and Principal of WWG in fall of 2016, I shared my WWG Superintendent time a couple years at a time with 4 other districts mentoring new leaders that eventually took over when I left.
- 4 years' experience as a Social Science teacher in regular education as well as alternative education.
- I grew up on a dairy farm and currently "get away from it all" by spending time on the farm and my small beef cattle herd. I also drive school bus when not working as the district Superintendent and Principal. I have 5 children including an autistic son who all attended the Westbrook Walnut Grove School District.
- Participation in Local Community Clubs including Lions, Kiwanis, Church and Community Club.

I feel I would be a great fit for this position because of my desire to serve my profession and this great State. I feel I have excellent leadership skills and a natural ability to be a team player that would benefit this State and this agency. I welcome the challenges I would face and look forward to growing my knowledge base both professionally and personally.

Please see my resume for additional information on my experience. I can be reached via email at lwoelber@wwgschools.org or my cell phone, 507-828-6608.

Thank you for your time and consideration. I look forward to speaking with you about this employment opportunity.

Sincerely,

Loy Woelber
