**Sec. 2. COVID-19 FLEXIBLE RESPONSE ACCOUNT.**

Subdivision 1. Account created. The COVID-19 flexible response account is created within the state fiscal recovery federal fund in the state treasury to pay expenditures eligible under federal guidance for the state fiscal recovery federal fund. \$425,000,000 is transferred from the state fiscal recovery federal fund to the COVID-19 flexible response account and is appropriated to the commissioner of management and budget. The commissioner may transfer funds appropriated under this subdivision to state agencies as necessary. This is a onetime appropriation. Any money in the account that remains unallocated on July 1, 2022, cancels to the state fiscal recovery federal fund. Allocated funds are available until June 30, 2023.

(b) The commissioner of management and budget must submit proposed single expenditures from the COVID-19 flexible response account that exceed \$2,500,000 to the Legislative COVID-19 Response Commission for its review and recommendations. The

2.1 submission must include the total amount of the proposed expenditure, the purpose of the  
2.2 proposed expenditure, the time period of the proposed expenditure, and any additional  
2.3 information the commissioner of management and budget determines necessary to properly  
2.4 document the proposed expenditure. Upon receiving a submission, the commission has  
2.5 three days after the request is submitted to review the proposed expenditures submitted  
2.6 under this subdivision.

2.7 (c) Commission members may make a positive recommendation, a negative  
2.8 recommendation, or no recommendation on a proposed expenditure. If a majority of the  
2.9 commission members from the senate and a majority of the commission members from the  
2.10 house of representatives make a negative recommendation on a proposed expenditure, the  
2.11 commissioner is prohibited from expending the money. If a majority of the commission  
2.12 members from the senate and a majority of the commission members from the house of  
2.13 representatives do not make a negative recommendation, or if the commission makes no  
2.14 recommendation, the commissioner may expend the money.

2.15 (d) The commission may hold a public meeting to approve or disapprove a proposed  
2.16 expenditure from the COVID-19 flexible response account. Notwithstanding Minnesota  
2.17 Statutes, section 3.055, the commission may conduct a public meeting remotely. The

3.3 recovery federal fund, the transfers in subdivision 1 are canceled, and \$633,100,000 is  
3.4 appropriated from the state fiscal recovery federal fund in fiscal year 2022 to the  
3.5 commissioner of management and budget to replace eligible general fund

3.11 corresponding guidance for use of the state fiscal recovery federal fund. For purposes of  
3.12 this subdivision, an ineligible use includes one that violates a maintenance of effort  
3.13 requirement.

3.14 (b) If the commissioner of management and budget implements the appropriations in  
3.15 paragraph (a), the commissioner must cancel \$550,000,000 of the forecasted general fund  
3.16 appropriations in the biennium beginning July 1, 2023, that are eligible to be replaced with  
3.17 the state fiscal recovery federal fund, under Public Law 117-2, and its corresponding guidance  
3.18 consistent with the method used in paragraph (a). The commissioner must allocate  
3.19 \$550,000,000 from the state fiscal recovery federal fund from the biennium beginning July  
3.20 1, 2023, to replace the canceled general fund appropriations. The allocations made by the  
3.21 commissioner are appropriated in fiscal year 2024 from the state fiscal recovery federal  
3.22 fund and are available in either year of the biennium, but must be obligated by December  
3.23 31, 2024. This is a onetime appropriation.

3.24 (c) Prior to implementing any appropriations or planning estimates under this subdivision,  
3.25 the commissioner of management and budget must submit the proposed appropriation and  
3.26 planning estimate changes to the Legislative Advisory Commission for review. Legislative  
3.27 Advisory Commission members have up to ten days to submit any recommendations
