

# SENIORS

## VACCINE PLAN

### MINNESOTA NEEDS A NEW DIRECTION AND PLAN

- Multiple reports of wasted doses of vaccine
- Seniors have not been prioritized
- Lack of oversight or a plan
- Mass confusion and disorganization

## SENIORS 1ST VACCINE PLAN SAVES LIVES

### PRIORITIZATION

**444,166 DOSES**

- HC workers
- Prisoners
- State employees
- Teachers
- Zoo workers

**ONLY 25.8%**

- Seniors

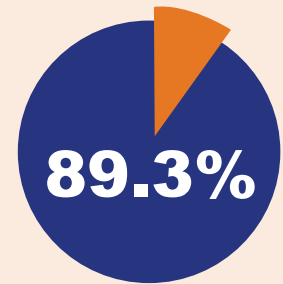

### DISTRIBUTION

**918,125**

Minnesota seniors

**12%**  
vaccinated

### REDUCE DEATHS

89.3% of deaths are 65 & up

## GET THE VACCINE TO WHO NEEDS IT MOST

- All seniors get the vaccine
- Get kids back in school
- Reopen nursing homes to public
- Open mainstreet businesses
- Increase public safety
- Return life back to normal

**8% IN PHASE 1**

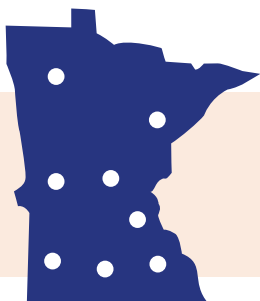

**1**

**PHASE 2**

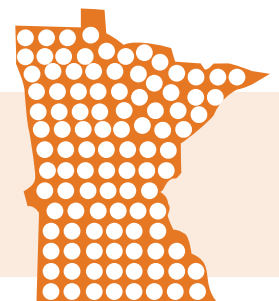

**ALL IN PHASE 2**

## INCREASE DISTRIBUTION SITES

- Take it directly to local communities
- Use local pharmacies for distribution
- Get doctors offices involved in vaccine
- Directly vaccinate senior homes/centers
