Angelique:

Here is the timeline:

- Received a phone call from HM Athletic Director John Pohl on the morning of Monday, March 29th. On the call was John Pohl - HM Athletic Director, Jaime Sherwood - Wayzata Athletics Director, and Pat O'Leary - Wayzata Boys Head Hockey Coach.
- Pohl explained that their Varsity Boys Hockey Team is on quarantine through March 31st.
- Pohl asked would Wayzata be willing to play on Thursday, April 1 if possible,
- Wayzata's response was we will do anything to have the kids play, we are open to playing on Thursday.
- We were notified by the MSHSL on Tuesday, March 30 that HM would not be playing on Wednesday March 31 because of the team being in quarantine.

We have a long history of playing HM in boys hockey and there are some close relationships - Pohl and O'Leary played on the Gophers together and the HM head coach Bill Lechtner and I have been friends for nearly 40 years.

Let me know if you need any additional information.

Dear Jaime,

Thank you so much for responding! I appreciate it very much.

I understand very much the chess game that this has put every school in and all that we are asking from you is simply a written statement that you were willing to work with the schools and the MSHSL to reschedule the game so that the
