An affidavit of affixation by the owner of the manufactured home must include the following information:

12.8 Subd. 3. **Perfected security interest prevents surrender.** The department may not
12.9 cancel a certificate of title if, under this chapter, a security interest has been perfected on
12.10 the manufactured home. If a security interest has been perfected, the department must notify
12.11 the owner that each secured party must release or satisfy the security interest prior to
12.12 proceeding with surrender of the manufacturer's certificate of origin or certificate of title to
12.13 the department for cancellation. Permanent attachment to real property or the recording of
12.14 an affidavit of affixation does not extinguish an otherwise valid security interest in or tax
12.15 lien on the manufactured home, unless the requirements of subdivisions 1 to 3, including
12.16 the release of any security interest, have been satisfied.

12.17 Subd. 4. **Notice of security interest.** When a perfected security interest exists, or will
12.18 exist, on the manufactured home at the time the manufactured home is affixed to real
12.19 property, and the owner has not satisfied the requirements of subdivision 1, the owner of
12.20 the manufactured home, or its secured party, may record a notice with the county recorder,
12.21 or with the registrar of titles, if the land is registered, stating that the manufactured home
12.22 located on the property is encumbered by a perfected security interest and is not an
12.23 improvement to real property. The notice must state the name and address of the secured
12.24 party as set forth on the certificate of title, the legal description of the real property, and the
12.25 name and address of the record fee owner of the real property on which the manufactured
12.26 home is affixed. When the security interest is released or satisfied, the secured party must
12.27 attach a copy of the release or satisfaction to a notice executed by the secured party containing
12.28 the county recorder or registrar of titles document number of the notice of security interest.
12.29 The notice of release or satisfaction must be recorded with the county recorder, or registrar
12.30 of titles, if the land is registered. Neither the notice described in this subdivision nor the
12.31 security interest on the certificate of title is deemed to be an encumbrance on the real
12.32 property. The notices provided for in this subdivision need not be acknowledged.

12.33 Subd. 5. **Scaled drawing.** (a) If the portion of the land occupied by the homeowner has
12.34 not been subdivided, the nonprofit or cooperative owner shall have prepared and recorded

13.1 against the land a scaled drawing prepared by a licensed professional land surveyor, who
13.2 shall certify that:

13.3 (1) the scaled drawing accurately depicts all information required by this subdivision;
13.4 and

13.5 (2) the work was undertaken by, or reviewed and approved by, the certifying land
13.6 surveyor.

13.7 (b) The scaled drawing shall show:

13.8 (1) the dimensions and location of all existing material structural improvements and
13.9 roadways;

13.10 (2) the extent of any encroachments by or upon any portion of the land;

13.11 (3) the location and dimensions of all recorded easements within the land burdening any
13.12 portion of the land;

13.13 (4) the distance and direction between noncontiguous parcels of real estate;

13.14 (5) the location and dimensions of the front, rear, and side boundaries of each lot that a
13.15 member of the cooperative or nonprofit corporation has a right to occupy and that lot's
13.16 unique lot number; and

13.17 (6) the legal description of the land.

13.18 Sec. 3. **[168A.1412] MANUFACTURED HOME AFFIXED TO REAL PROPERTY.**

13.19 Subdivision 1. **Manufactured home as real property.** A manufactured home may be
13.20 made an improvement to real property, and no longer titled as personal property, pursuant
13.21 to this section. A manufactured home constitutes an improvement to real property when:

13.22 (1) the manufactured home is to be affixed or is affixed, as defined in section 273.125,
13.23 subdivision 8, paragraph (b), to the real property;

13.24 (2) the certificate of title is surrendered and canceled pursuant to subdivision 2, or the
13.25 manufacturer's certificate or statement of origin is canceled pursuant to subdivision 3; and

13.26 (3) an affidavit of affixation pursuant to subdivision 5 is recorded with the county recorder
13.27 or registrar of titles, as applicable.

13.28 Subd. 2. **Surrender of certificate of title.** (a) The owner of the manufactured home
13.29 may surrender the manufacturer's certificate of title to the commissioner for cancellation.
13.30 Upon receipt of the certificate of title, the commissioner must issue notice of cancellation
13.31 to the owner of the manufactured home. In the event the certificate of title is lost, stolen,

14.1 mutilated, destroyed, or becomes illegible, the owner may submit a written request for
14.2 cancellation of the title which includes the serial number of the manufactured home and
14.3 states that the certificate of title is lost, stolen, mutilated, destroyed, or has become illegible.
14.4 Upon receipt of the request and verification of ownership in DVS records, the commissioner
14.5 must issue notice of cancellation to the owner of the manufactured home and must not
14.6 require the owner to deliver the certificate of title or obtain a duplicate certificate of title.
14.7 After canceling a certificate of title, the commissioner must not allow transfer of the title
14.8 to the manufactured home as personal property. The commissioner must not require the
14.9 owner of the manufactured home to deliver the affidavit of affixation described in subdivision
14.10 5 in order for the commissioner to issue notice of cancellation.

14.11 (b) The commissioner must not cancel a certificate of title if, under this chapter, a security
14.12 interest has been perfected on the manufactured home. If a security interest has been
14.13 perfected, the commissioner must notify the owner of the manufactured home that each
14.14 secured party must release or satisfy the security interest prior to cancellation of the certificate
14.15 of title by the commissioner. Affixing the manufactured home to real property or the
14.16 recording of an affidavit of affixation without cancellation of the certificate of title does not
14.17 extinguish an otherwise valid security interest in or tax lien on the manufactured home.

14.18 Subd. 3. **Surrender of manufacturer's certificate of origin.** The owner of the
14.19 manufactured home may surrender the manufacturer's certificate of origin to the
14.20 commissioner for cancellation. Upon delivery of the original certificate of origin, the
14.21 commissioner must issue notice of cancellation to the owner of the manufactured home.
14.22 The commissioner must not issue a certificate of title for a manufactured home if the
14.23 manufacturer's certificate of origin is or has been canceled under this subdivision, except
14.24 as provided in section 168A.142. The commissioner must not require the owner of the
14.25 manufactured home to deliver the affidavit of affixation described in subdivision 5 in order
14.26 for the commissioner to cancel the certificate of origin.

14.27 Subd. 4. **Verification.** The commissioner is not liable for any errors, omissions,
14.28 misstatements, or other deficiencies or inaccuracies in documents presented to the
14.29 commissioner under this section if the documents presented appear to satisfy the requirements
14.30 of this section. The commissioner has no obligation to investigate the accuracy of statements
14.31 contained in the documents to verify that the manufactured home has been affixed to the
14.32 real property.

14.33 Subd. 5. **Affidavit of affixation.** An affidavit of affixation must be in substantially the
14.34 following form and must contain the following information and attachments described in
14.35 the form. The county recorder or registrar of titles, as applicable, must accept any such

affidavit. The county recorder or registrar of titles, as applicable, must provide a copy of
the recorded affidavit of affixation to the county auditor of the county for the real property
described therein or otherwise inform the county auditor that the home is to be taxed as an
improvement to the real property to which it is affixed.

Subd. 6. Notice of security interest. When a perfected security interest exists, or will exist, on the manufactured home at the time the manufactured home is affixed to real property, and the owner has not satisfied the requirements of subdivision 1, the owner of the manufactured home, or its secured party, may record a notice with the county recorder, or with the registrar of titles, if the land is registered, stating that the manufactured home located on the property is encumbered by a perfected security interest and is not an improvement to real property. Sec. 4. Minnesota Statutes 2020, section 273.11, subdivision 12, is amended to read:

Subd. 12. Community land trusts. (a) A community land trust, as defined under chapter 462A, is (i) a community-based nonprofit corporation organized under chapter 317A, which

qualifies for tax exempt status under 501(c)(3), or (ii) a "city" as defined in section 462C.02, subdivision 6, which has received funding from the Minnesota housing finance agency for purposes of the community land trust program. The Minnesota Housing Finance Agency shall set the criteria for community land trusts.

~~(b) All occupants of a community land trust building must have a family income of less than 80 percent of the greater of (1) the state median income, or (2) the area or county median income, as most recently determined by the Department of Housing and Urban Development.~~ Before the community land trust can rent or sell a unit to an applicant, the community land trust shall verify to the satisfaction of the administering agency or the city that the family income of each person or family applying for a unit in the community land trust building is within the income criteria provided in this paragraph section 462A.30, subdivision 9. The administering agency or the city shall verify to the satisfaction of the county assessor that the occupant meets the income criteria under this paragraph section 462A.30, subdivision 9. The property tax benefits under paragraph (c) shall be granted only to property owned or rented by persons or families within the qualifying income limits. The family income criteria and verification is only necessary at the time of initial occupancy in the property.

(c) A unit which is owned by the occupant and used as a homestead by the occupant qualifies for homestead treatment as class 1a under section 273.13, subdivision 22. A unit which is rented by the occupant and used as a homestead by the occupant shall be class 4a or 4b property, under section 273.13, subdivision 25, whichever is applicable. Any remaining portion of the property not used for residential purposes shall be classified by the assessor in the appropriate class based upon the use of that portion of the property owned by the community land trust. The land upon which the building is located shall be assessed at the same classification rate as the units within the building, provided that if the building contains some units assessed as class 1a and some units assessed as class 4a or 4b, the market value of the land will be assessed in the same proportions as the value of the building.

EFFECTIVE DATE. This section is effective August 1, 2021.

Sec. 5. Minnesota Statutes 2020, section 273.125, subdivision 8, is amended to read:

Subd. 8. Manufactured homes; sectional structures. Manufactured home includes any accessory structure that is an

18.1 addition or supplement to the manufactured home and, when installed, becomes a part of
18.2 the manufactured home.

18.3 (b) Except as provided in paragraph (c), a manufactured home that meets each of the
18.4 following criteria must be valued and assessed as an improvement to real property, the
18.5 appropriate real property classification applies, and the valuation is subject to review and
18.6 the taxes payable in the manner provided for real property:

18.7 (1) ~~the owner of the unit holds~~ title to the land on which it is situated is held by: (i) the
18.8 owner of the unit; or (ii) a Minnesota nonprofit corporation or a Minnesota cooperative to
18.9 which the owner is a member;

18.11 in accordance with the Manufactured Home Building Code in sections 327.31 to 327.34,
18.12 and rules adopted under those sections, or is affixed to the land like other real property in
18.13 the taxing district; and

18.14 (3) the unit is connected to public utilities, has a well and septic tank system, or is serviced
18.15 by water and sewer facilities comparable to other real property in the taxing district.

18.16 (c) A manufactured home that meets each of the following criteria must be assessed at
18.17 the rate provided by the appropriate real property classification but must be treated as
18.18 personal property, and the valuation is subject to review and the taxes payable in the manner
18.19 provided in this section:

18.20 (1) the owner of the unit is a lessee of the land under the terms of a lease, or the unit is
18.21 located in a manufactured home park but is not the homestead of the park owner;

18.22 (2) the unit is affixed to the land by a permanent foundation or is installed at its location
18.23 in accordance with the Manufactured Home Building Code contained in sections 327.31 to
18.24 327.34, and the rules adopted under those sections, or is affixed to the land like other real
18.25 property in the taxing district; and

18.26 (3) the unit is connected to public utilities, has a well and septic tank system, or is serviced
18.27 by water and sewer facilities comparable to other real property in the taxing district.

18.28 (d) Sectional structures must be valued and assessed as an improvement to real property

18.30 lessee of the land under section 273.19. In this paragraph "sectional structure" means a
18.31 building or structural unit that has been in whole or substantial part manufactured or
18.32 constructed at an off-site location to be wholly or partially assembled on site alone or with
18.33 other units and attached to a permanent foundation.

19.1 (e) The commissioner of revenue may adopt rules under the Administrative Procedure
19.2 Act to establish additional criteria for the classification of manufactured homes and sectional
19.3 structures under this subdivision.

19.4 (f) A storage shed, deck, or similar improvement constructed on property that is leased
19.5 or rented as a site for a manufactured home, sectional structure, park trailer, or travel trailer
19.6 is taxable as provided in this section. In the case of property that is leased or rented as a site
19.7 for a travel trailer, a storage shed, deck, or similar improvement on the site that is considered
19.8 personal property under this paragraph is taxable only if its total estimated market value is
19.9 over \$10,000. The property is taxable as personal property to the lessee of the site if it is
19.10 not owned by the owner of the site. The property is taxable as real estate if it is owned by
19.11 the owner of the site. As a condition of permitting the owner of the manufactured home,
19.12 sectional structure, park trailer, or travel trailer to construct improvements on the leased or
19.13 rented site, the owner of the site must obtain the permanent home address of the lessee or
19.14 user of the site. The site owner must provide the name and address to the assessor upon

19.20 hardware, guards, and other devices that comply with the standards established by the
19.21 commissioner of labor and industry. The rules shall require compliance with standards for
19.22 window fall prevention devices developed by ASTM International, contained in the
19.23 International Building Code as the model language with amendments deemed necessary to
19.24 coordinate with the other adopted building codes in Minnesota. The rules shall establish a
19.25 scope that includes the applicable building occupancies, and the types, locations, and sizes

These policies may include but are not limited to the municipal plan authorizing smaller lot sizes for single-family homes, allowing the construction of duplexes through fourplexes on lots that would otherwise be zoned exclusively for single-family houses, and allowing for mixed-use development.

Sec. 8. [462.3575] LIMITING REGULATIONS ON RESIDENTIAL DEVELOPMENT.

(b) A municipality shall not require planned unit development agreement conditions that exceed the requirements in the State Building Code under chapter 326B.

(c) A planned unit development agreement must be made available to the public by posting the agreement on the website of the municipality at least seven days prior to the governing body's review of the agreement. If the municipality does not have a website, a copy of the planned unit development agreement must be available for review at the city hall building of the municipality. If the agreement is approved by the governing body, the agreement cannot be modified unless all parties to the agreement concur.

21.3 Subd. 4. **Exception.** This section shall not apply to a proposed residential development
21.4 that is to be developed by the municipality itself.

21.6 Subd. 14. **Rehabilitation loans.** It may agree to purchase, make, or otherwise participate
21.7 in the making, and may enter into commitments for the purchase, making, or participation
21.8 in the making, of eligible loans for rehabilitation, with terms and conditions as the agency
21.9 deems advisable, to persons and families of low and moderate income, and to owners of
21.10 existing residential housing for occupancy by such persons and families, for the rehabilitation
21.11 of existing residential housing owned by them. The loans may be insured or uninsured and
21.12 may be made with security, or may be unsecured, as the agency deems advisable. The loans
21.13 may be in addition to or in combination with long-term eligible mortgage loans under
21.14 subdivision 3. They may be made in amounts sufficient to refinance existing indebtedness
21.15 secured by the property, if refinancing is determined by the agency to be necessary to permit
21.16 the owner to meet the owner's housing cost without expending an unreasonable portion of
21.17 the owner's income thereon. No loan for rehabilitation shall be made unless the agency
21.18 determines that the loan will be used primarily to make the housing more desirable to live
21.19 in, to increase the market value of the housing, for compliance with state, county or municipal
21.20 building, housing maintenance, fire, health or similar codes and standards applicable to
21.21 housing, or to accomplish energy conservation related improvements. In unincorporated
21.22 areas and municipalities not having codes and standards, the agency may, solely for the
21.23 purpose of administering the provisions of this chapter, establish codes and standards. ~~Except~~
21.24 ~~for accessibility improvements under this subdivision and subdivisions 14a and 24, clause~~
21.25 ~~(1), no secured loan for rehabilitation of any owner-occupied property shall be made in an~~

21.27 ~~110 percent of its market value, as determined by the agency. No loan under this subdivision~~
21.28 ~~for the rehabilitation of owner-occupied housing shall be denied solely because the loan~~
21.29 ~~will not be used for placing the owner-occupied residential housing in full compliance with~~
21.30 ~~all state, county, or municipal building, housing maintenance, fire, health, or similar codes~~
21.31 ~~and standards applicable to housing. Rehabilitation loans shall be made only when the~~
21.32 ~~agency determines that financing is not otherwise available, in whole or in part, from private~~
21.33 ~~lenders upon equivalent terms and conditions. Accessibility rehabilitation loans authorized~~
21.34 ~~under this subdivision may be made to eligible persons and families without limitations~~
21.35 relating to the maximum incomes of the borrowers if:

22.1 (1) the borrower or a member of the borrower's family requires a level of care provided
22.2 in a hospital, skilled nursing facility, or intermediate care facility for persons with
22.3 developmental disabilities;

22.4 (2) home care is appropriate; and

22.5 (3) the improvement will enable the borrower or a member of the borrower's family to
22.6 reside in the housing.

22.7 The agency may waive any requirement that the housing units in a residential housing
22.8 development be rented to persons of low and moderate income if the development consists
22.9 of four or less dwelling units, one of which is occupied by the owner.

22.10 **EFFECTIVE DATE.** This section is effective July 1, 2021.

22.15 families. Rehabilitation may include replacement of manufactured homes. No loan shall be
22.16 made unless the agency determines that the loan will be used primarily for rehabilitation
22.17 work necessary for health or safety, essential accessibility improvements, or to improve the
22.18 energy efficiency of the dwelling. No loan for rehabilitation of owner-occupied residential
22.19 housing shall be denied solely because the loan will not be used for placing the residential
22.20 housing in full compliance with all state, county or municipal building, housing maintenance,
22.21 fire, health or similar codes and standards applicable to housing. The amount of any loan
22.22 shall not exceed the lesser of (a) a maximum loan amount determined under rules adopted
22.23 by the agency not to exceed ~~\$27,000~~ \$40,000, or (b) the actual cost of the work performed,
22.24 or (c) that portion of the cost of rehabilitation which the agency determines cannot otherwise
22.25 be paid by the person or family without the expenditure of an unreasonable portion of the
22.26 income of the person or family. Loans made in whole or in part with federal funds may
22.27 exceed the maximum loan amount to the extent necessary to comply with federal lead
22.28 abatement requirements prescribed by the funding source. In making loans, the agency shall
22.29 determine the circumstances under which and the terms and conditions under which all or
22.30 any portion of the loan will be repaid and shall determine the appropriate security for the

23.23 results of any quantitative scoring system used to rank applications shall be posted on the
23.24 agency website.

23.25 (d) The agency shall award points in the agency's decision-making criteria for all

30.13 Sec. 24. Minnesota Statutes 2020, section 474A.061, subdivision 2a, is amended to read:

30.14 Subd. 2a. **Housing pool allocation.** (a) Commencing on the second Tuesday in January
30.15 and continuing on each Monday through the last Monday in June, the commissioner shall
30.16 allocate available bonding authority from the housing pool to applications received on or
30.17 before the Monday of the preceding week for residential rental projects that meet the
30.18 eligibility criteria under section 474A.047. Allocations of available bonding authority from
30.19 the housing pool for eligible residential rental projects shall be awarded in the following
30.20 order of priority:

30.21 (1) preservation projects;

30.22 (2) 30 percent AMI residential rental projects;

30.23 (3) 50 percent AMI residential rental projects;

30.24 (4) 100 percent LIHTC projects;

30.25 (5) 20 percent LIHTC projects; and

30.26 (6) other residential rental projects for which the amount of bonds requested in their
30.27 respective applications do not exceed the aggregate bond limitation.

30.28 If there are two or more applications for residential rental projects at the same priority level
30.29 and there is insufficient bonding authority to provide allocations for all the projects in any
30.30 one allocation period, available bonding authority shall be ~~randomly~~ awarded by lot giving
30.31 preference for projects with a lower cost-per-unit of housing but only for projects that can

receive the full amount of their respective requested allocations. If a residential rental project does not receive any of its requested allocation pursuant to this paragraph and the project applies for an allocation of bonds again in the same calendar year or to the next successive housing pool, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority. An issuer that receives an allocation under this paragraph must issue obligations equal to all or a portion of the allocation received on or before 180 days of the allocation. If an issuer that receives an allocation under this paragraph does not issue obligations equal to all or a portion of the allocation received within the time period provided in this paragraph or returns the allocation to the commissioner, the amount of the allocation is canceled and returned for reallocation through the housing pool or to the unified pool after July 1.

(b) After January 1, and through January 15, The Minnesota Housing Finance Agency may accept applications from cities for single-family housing programs which meet program requirements as follows:

(1) the housing program must meet a locally identified housing need and be economically viable;

(2) the adjusted income of home buyers may not exceed 80 percent of the greater of statewide or area median income as published by the Department of Housing and Urban Development, adjusted for household size;

(3) house price limits may not exceed the federal price limits established for mortgage revenue bond programs. Data on the home purchase price amount, mortgage amount, income, household size, and race of the households served in the previous year's single-family housing program, if any, must be included in each application; and

(4) for applicants who choose to have the agency issue bonds on their behalf, an application fee pursuant to section 474A.03, subdivision 4, and an application deposit equal to one percent of the requested allocation must be submitted to the Minnesota Housing Finance Agency before the agency forwards the list specifying the amounts allocated to the commissioner under paragraph (d). The agency shall submit the city's application fee and application deposit to the commissioner when requesting an allocation from the housing pool.

Applications by a consortium shall include the name of each member of the consortium and the amount of allocation requested by each member.

(c) Any amounts remaining in the housing pool after June 15 are available for single-family housing programs for cities that applied in January and received an allocation under this section in the same calendar year. For a city that chooses to issue bonds on its own behalf or pursuant to a joint powers agreement, the agency must allot available bonding authority based on the formula in paragraphs (d) and (f). Allocations will be made loan by loan, on a first-come, first-served basis among cities on whose behalf the Minnesota Housing Finance Agency issues bonds.

Any city that received an allocation pursuant to paragraph (f) in the same calendar year that wishes to issue bonds on its own behalf or pursuant to a joint powers agreement for an amount becoming available for single-family housing programs after June 15 shall notify the Minnesota Housing Finance Agency by June 15. The Minnesota Housing Finance Agency shall notify each city making a request of the amount of its allocation within three business days after June 15. The city must comply with paragraph (f).

For purposes of paragraphs (a) to (h), "city" means a county or a consortium of local government units that agree through a joint powers agreement to apply together for single-family housing programs, and has the meaning given it in section 462C.02, subdivision 6. "Agency" means the Minnesota Housing Finance Agency.

(d) The total amount of allocation for mortgage bonds for one city is limited to the lesser of: (i) the amount requested, or (ii) the product of the total amount available for mortgage bonds from the housing pool, multiplied by the ratio of each applicant's population as determined by the most recent estimate of the city's population released by the state demographer's office to the total of all the applicants' population, except that each applicant shall be allocated a minimum of \$100,000 regardless of the amount requested or the amount determined under the formula in clause (ii). If a city applying for an allocation is located within a county that has also applied for an allocation, the city's population will be deducted from the county's population in calculating the amount of allocations under this paragraph.

Upon determining the amount of each applicant's allocation, the agency shall forward to the commissioner a list specifying the amounts allotted to each application with all application fees and deposits from applicants who choose to have the agency issue bonds on their behalf.

Total allocations from the housing pool for single-family housing programs may not exceed 27 percent of the adjusted allocation to the housing pool until after June 15 in 2020 and 2021, after which the allocations may not exceed 31 percent of the adjusted allocation to the housing pool until after June 15.

(e) The agency may issue bonds on behalf of participating cities. The agency shall request an allocation from the commissioner for all applicants who choose to have the agency issue bonds on their behalf and the commissioner shall allocate the requested amount to the agency. The agency may request an allocation at any time after the second Tuesday in January and through the last Monday in June. After awarding an allocation and receiving a notice of issuance for the mortgage bonds issued on behalf of the participating cities, the commissioner shall transfer the application deposits to the Minnesota Housing Finance Agency to be returned to the participating cities. The Minnesota Housing Finance Agency shall return any application deposit to a city that paid an application deposit under paragraph (b), clause (4), but was not part of the list forwarded to the commissioner under paragraph (d).

(f) A city may choose to issue bonds on its own behalf or through a joint powers agreement and may request an allocation from the commissioner by forwarding an application with an application fee pursuant to section 474A.03, subdivision 4, and a one percent application deposit to the commissioner no later than the Monday of the week preceding an allocation. If the total amount requested by all applicants exceeds the amount available in the pool, the city may not receive a greater allocation than the amount it would have received under the list forwarded by the Minnesota Housing Finance Agency to the commissioner. No city may request or receive an allocation from the commissioner until the list under paragraph (d) has been forwarded to the commissioner. A city must request an allocation from the commissioner no later than the last Monday in June. No city may receive an allocation from the housing pool for mortgage bonds which has not first applied to the Minnesota Housing Finance Agency. The commissioner shall allocate the requested amount to the city or cities subject to the limitations under this paragraph.

If a city issues mortgage bonds from an allocation received under this paragraph, the issuer must provide for the recycling of funds into new loans. If the issuer is not able to provide for recycling, the issuer must notify the commissioner in writing of the reason that recycling was not possible and the reason the issuer elected not to have the Minnesota Housing Finance Agency issue the bonds. "Recycling" means the use of money generated from the repayment and prepayment of loans for further eligible loans or for the redemption of bonds and the issuance of current refunding bonds.

(g) No entitlement city or county or city in an entitlement county may apply for or be allocated authority to issue mortgage bonds or use mortgage credit certificates from the housing pool. No city in an entitlement county may apply for or be allocated authority to issue residential rental bonds from the housing pool or the unified pool.

(h) A city that does not use at least 50 percent of its allotment by the date applications are due for the first allocation that is made from the housing pool for single-family housing programs in the immediately succeeding calendar year may not apply to the housing pool for a single-family mortgage bond or mortgage credit certificate program allocation that exceeds the amount of its allotment for the preceding year that was used by the city in the immediately preceding year or receive an allotment from the housing pool in the succeeding calendar year that exceeds the amount of its allotment for the preceding year that was used in the preceding year. The minimum allotment is \$100,000 for an allocation made prior to June 15, regardless of the amount used in the preceding calendar year, except that a city whose allocation in the preceding year was the minimum amount of \$100,000 and who did not use at least 50 percent of its allocation from the preceding year is ineligible for an allocation in the immediate succeeding calendar year. Each local government unit in a consortium must meet the requirements of this paragraph.

EFFECTIVE DATE. This section is effective January 1, 2022.

Sec. 25. Minnesota Statutes 2020, section 474A.091, subdivision 3, is amended to read:

- 35.7 (d) If there are two or more applications for manufacturing projects from the unified
- 35.8 pool and there is insufficient bonding authority to provide allocations for all manufacturing
- 35.9 projects in any one allocation period, the available bonding authority shall be awarded based
- 35.10 on the number of points awarded a project under section 474A.045 with those projects
- 35.11 receiving the greatest number of points receiving allocation first. If two or more applications
- 35.12 for manufacturing projects receive an equal amount of points, available bonding authority
- 35.13 shall be awarded by lot unless otherwise agreed to by the respective issuers.
- 35.14 (e) If there are two or more applications for enterprise zone facility projects from the
- 35.15 unified pool and there is insufficient bonding authority to provide allocations for all enterprise
- 35.16 zone facility projects in any one allocation period, the available bonding authority shall be
- 35.17 awarded based on the number of points awarded a project under section 474A.045 with

- 35.26 rental projects; (3) 50 percent AMI residential rental projects for which the amount of bonds
- 35.27 requested in their respective applications do not exceed the aggregate bond limitations; (4)
- 35.28 100 percent LIHTC projects; (5) 20 percent LIHTC projects; and (6) other residential rental
- 35.29 projects. If there are two or more applications for residential rental projects at the same
- 35.30 priority level and there is insufficient bonding authority to provide allocations for all the
- 35.31 projects in any one allocation period, available bonding authority shall be ~~randomly~~ awarded
- 35.32 by lot giving preference for projects with a lower cost-per-unit of housing but only for
- 35.33 projects that can receive the full amount of their respective requested allocations. If a

residential rental project does not receive any of its requested allocation pursuant to this paragraph and the project applies in the next successive housing pool or the next successive unified pool for an allocation of bonds, the project shall be fully funded up to its original application request for bonding authority before any new project, applying in the same allocation period, that has an equal priority shall receive bonding authority.

(g) From the first Monday in July through the last Monday in November, \$20,000,000 of bonding authority or an amount equal to the total annual amount of bonding authority allocated to the small issue pool under section 474A.03, subdivision 1, less the amount allocated to issuers from the small issue pool for that year, whichever is less, is reserved within the unified pool for small issue bonds to the extent the amounts are available within the unified pool.
