1.1   Senator .... moves to amend S.F. No. 5284 as follows:

1.2   Page 98, after line 16, insert:

1.3   "Subd. 6. **Effective date; certification of validity.** (a) Except for the requirements under

1.4   paragraph (b), this section is effective the day following the date of a certification of validity

1.5   submitted under paragraph (b).

1.6   (b) Using existing resources, the commissioner must perform a federal preemption

1.7   analysis of the requirements under this section that includes examination of federal law,

1.8   case law, and federal guidance. The commissioner must make a preemption determination

1.9   based on the analysis. If the commissioner determines that the requirements under this

1.10   section are not reasonably expected to be preempted by federal law, the commissioner must

1.11   submit a certification of validity to the revisor of statutes and to the chairs and ranking

1.12   minority members of the legislative committees with jurisdiction over transportation policy

1.13   and finance."

1.14   Page 99, after line 4, insert:

1.15   "Subd. 4. **Effective date; certification of validity.** (a) Except for the requirements under

1.16   paragraph (b), this section is effective the day following the date of a certification of validity

1.17   submitted under paragraph (b).

1.18   (b) Using existing resources, the commissioner must perform a federal preemption

1.19   analysis of the requirements under this section that includes examination of federal law,

1.20   case law, and federal guidance. The commissioner must make a preemption determination

1.21   based on the analysis. If the commissioner determines that the requirements under this

1.22   section are not reasonably expected to be preempted by federal law, the commissioner must

1.23   submit a certification of validity to the revisor of statutes and to the chairs and ranking

1.24   minority members of the legislative committees with jurisdiction over transportation policy

1.25   and finance."

1.26   Page 99, after line 27, insert:

1.27   "Subd. 3. **Effective date; certification of validity.** (a) Except for the requirements under

1.28   paragraph (b), this section is effective the day following the date of a certification of validity

1.29   submitted under paragraph (b).

1.30   (b) Using existing resources, the commissioner must perform a federal preemption

1.31   analysis of the requirements under this section that includes examination of federal law,

1.32   case law, and federal guidance. The commissioner must make a preemption determination

1.33   based on the analysis. If the commissioner determines that the requirements under this

2.1   section are not reasonably expected to be preempted by federal law, the commissioner must

2.2   submit a certification of validity to the revisor of statutes and to the chairs and ranking

2.3   minority members of the legislative committees with jurisdiction over transportation policy

2.4   and finance."

2.5   Page 101, after line 26, insert:

2.6   "Sec. 100. Minnesota Statutes 2022, section 221.0255, is amended by adding a subdivision

2.7   to read:

2.8   Subd. 11. **Certification of validity.** (a) Subdivision 10 is effective the day following

2.9   the date of a certification of validity submitted under paragraph (b).

2.10   (b) Using existing resources, the commissioner must perform a federal preemption

2.11   analysis of the requirements under this section that includes examination of federal law,

2.12   case law, and federal guidance. The commissioner must make a preemption determination

2.13   based on the analysis. If the commissioner determines that the requirements under this

2.14   section are not reasonably expected to be preempted by federal law, the commissioner must

2.15   submit a certification of validity to the revisor of statutes and to the chairs and ranking

2.16   minority members of the legislative committees with jurisdiction over transportation policy

2.17   and finance.

2.18   **EFFECTIVE DATE.** This section is effective August 1, 2024."

2.19   Renumber the sections in sequence and correct the internal references
