This abbreviated resume is for my application for appointment from the First District to the Minnesota State Arts Board.

Statement of Interest: I believe I can bring to the State Arts Board significant public policy experience, knowledge of and appreciation for budget constraints as well as the perspective on arts funding from the private sector, foundations, and the local level; a recognition of the importance of the arts to the quality of life and education in Minnesota; a recognition of the need to involve children in arts education; a recognition of the need to support and promote Minnesota arts, artists and art related businesses; an awareness of the potential and real economic impact of arts in Minnesota; a recognition of the need to have Minnesota recognized nationally for its creative residents; a desire to learn and to serve the State. I currently have no formal affiliations with any state arts funding recipient organizations that would present a conflict.

Resume:

Arts specific

A life long interest in and appreciation for the arts and humanities exists and provides framework for all of ones other activities. And I have been involved in arts and music for almost all of my life; I served on the Rochester Art Center Board of Directors; in the past I also served on the Rochester committee for the Minnesota Orchestra, was a member of the Oudal Chorale and Rochester Civic Music as well as being an award winner in Children's Theater at the Rochester Civic Theater.

I am a member of the Southeastern Minnesota Visual Artists and their galleries; believe in sharing my gift by contributing large paintings to the Ronald McDonald House, Charter House, Good Shepherd Church and to a number of charity auctions in 2003; I am also a performing artist-pianist with several cds to my credit--all benefiting charities and a regular pianist at my church as well as a volunteer pianist at Mayo. I also serve as a mentor in arts--both visual and performing -- as well as in other areas when asked.

Again, I have no affiliations that would represent any sort of conflict of interest as a potential member of the State Arts Board.

Respectfully submitted,

Jane Belau
