To whom it may concern:

I am applying for an open position on the Board of Trustees for the Minnesota State College and Universities. I would like to be considered for either the old 6th district position or for the at-large position.

As a former Corporate foundation leader, as the parent of a MnSCU graduate, and as a business leader who has been committed to education in Minnesota through volunteerism for many years, I believe I can provide the skills and perspective needed to help lead the MnSCU system.

I have served a term on the board of the Minnesota Private College Council. I have worked with the University of Minnesota through the Itasca Project to help the University of Minnesota create its current structure for interaction with industry. I have been sought in a general advisory capacity by several university leaders, including three from the MnSCU system. I believe I understand many of the challenges faced by higher education. In concert with other leaders in the system I am committed to work to make the MnSCU the best system possible.

Thank you for your consideration.

Sincerely,

Alex Cirillo, Jr
