**I have been in the electrical industry for 23 years, approximately 5 years as a Journeyman Electrician and 18 years as a Master Electrician with 2 of those years being a Contractor. I am proud of my trade and believe I can make a contribution on the Board of Electricity by supporting safe, quality, and professional electrical installations. This line of work has provided a good living for my family and I would like to give something back.**

**I am experienced in automation, industrial, commercial, and residential construction. I have worked and lived in Southeastern Minnesota all of my life.**

**Volunteering is an important way to cut the cost of government and give back to our communities. I have been active in my community as a volunteer for 19 years, to which I have also served as the Treasurer of the Relief Association on the Caledonia Fire Department for the last nine years. This is an opportunity to be of service to my industry and to the citizens of Minnesota. Providing inspections done by knowledgeable, fair and impartial electricians protects the safety of Minnesota citizens.**

**I ask that you re-appoint me to my previous seat on the Board of Electricity and thank you for your consideration.**

Sincerely,

  
William M. Hoskins
