Cover Letter or Other Helpful Information:

It has been a privilege to serve on the Board of Electricity and to be part of the process of integrating the trades in the division. The coming years will be important with the retirement of John Schulze and I would like to have the opportunity to use my experience to assist the Department in a smooth transition in any way possible. I admire the way the Department's leadership has handled a number of challenges and look forward continuing to support the development of solutions that are good for the industry.

Sincerely,
William M. Hoskins
