Dennis Jensen

- Extensive experience in the transportation industry with expertise primarily in transit operations, labor relations, safety, planning, marketing, maintenance, and grants administration. Extensive experience in contract negotiations with various unions with detailed knowledge and experience in grievance and arbitration proceedings. Participate on national, state and local committees dealing with transportation issues. The Duluth Transit Authority has a national reputation for safety, efficiency, and fleet and facility cleanliness and appearance. Management positions have involved extensive interaction with public Boards, City Councils, Commissions and the State and Federal Legislative process. Developed and administered major capital construction and vehicle procurement projects in Minnesota, Texas and Maryland. Responsible for innovative customer service enhancements that are now modeled throughout the county, including bikes on bus program, summer youth pass program, childcare centers in transit facilities and college pass program and ITS technology.

1979 - Present, General Manager - Duluth Transit Authority, Duluth, MN.

- In June 1979 was appointed as the General Manager of the Duluth Transit Authority (DTA) in Duluth, MN. Reporting to a nine-member public Board of Directors, responsible for the management of the 62 bus system serving cities of Duluth and Proctor, Minnesota and Superior, Wisconsin. Significant accomplishments include the negotiation of nine Teamsters Union labor contracts during this term, administration of \$50 million in construction and capital improvement projects, including a new Operations and Maintenance center in 1982; three downtown transit centers, park and ride facilities and two suburban transit hubs. Was responsible for the development of a campaign for the successful voter approval of two property tax referendums, and the approval by the Minnesota Legislature of a school transportation bill that allows for the transportation of secondary students on DTA buses. Internal achievements include revised attendance standards, safety and training programs for bus operators, security programs for passengers and employees, and the introduction of a computer network and management information systems at the DTA. The DTA was the ninth system in the nation to implement Google Transit.
- Recently completed projects include the 2002 construction of a new transit center at the University of Minnesota, Duluth campus, complete with heated passenger waiting area, bus loading zones and the 2009 construction of heated downtown passenger shelters. Also, the implementation of a new DTA communications system, including ITS technology with AVL, and dispatching software for regular route and ADA services. The DTA was the first system in Minnesota to install bike racks on all buses and transports over 20K bikes each year. Total regular route ridership at the DTA exceeds 3 million passengers per year.

1976 - General Manager - Laredo Municipal Transit System (El Metro)

- In June 1976, was appointed as the General Manager in Laredo, Texas. Reporting to the Transit Committee of the Laredo City Council, directed the takeover of the private system with funding from FTA and the State of Texas and structured the complete turn-around of a failing system into one of the most successful transit operations in Texas. Significant achievements were the expansion of service to underserved neighborhoods, establishment of a driver training program and implementation of a preventive maintenance program, a transfer program, elderly and disabled fare, student ticket program, and the development of a capital improvement program that included new buses, and the design and construction of a new operations and maintenance center. Successfully negotiated two labor contracts with Labors International Union of North America and represented the Laredo system on several local and State committees dealing with transit planning and funding issues

1973 - General Manager, Airport Services, Inc. - Baltimore Washington International Airport

- In July 1973 was employed as the Director of Marketing and later named as General Manager of Airport Services, Inc. the ground transportation service for Baltimore - Washington International Airport. Responsible for all administration and operations of transportation services operating between BWI Airport, downtown Washington, Baltimore and suburban communities. Operations included an airport-parking shuttle, suburban limousine service, inter-city bus service and an airport taxi operation. Represented ASI on management team in contract negotiations with Teamsters and Amalgamated Transit Union Locals. Reported to Director of Airport Administration - BWI Airport.

During this time provided marketing and public relations assistance to the Hagarstown, Md. County Commuter, a dial-a-ride transit system

1970 - Regional Manager, Advertising and Public Relations, Continental Trailways - Washington D.C.

- Upon discharge from the United States Navy in 1970, employed by Continental Trailways in Washington, D.C. and was responsible for all advertising, public relations and promotional activities for Continental Trailways and associated Trailways companies in the northeast United States, including the markets of New York, Boston and Washington, D.C. Developed charter, tour, package express and regular route promotional campaigns for interstate bus services. Developed annual sales meetings and customer service training seminars. Reported to Director of Sales, Trailways.
