Governor Dayton,

I am writing in reference to the posting for an Organized Labor Representative on the Minnesota Pollution Control Agency's Citizens Council. I have been informed of, and encouraged to apply by Harry Melander, President, Minnesota Building and Construction Trades Council.

My interest in serving on the Citizens Council is based on my desire to serve our great state, while providing expertise in the construction industry, specifically the Pipe Trades. I believe I have the ability to provide an unbiased, objective point of view.

I recognize that the charge of the Citizens Council is to deal with complex problems relating to water, air, and land resources; ensuring these precious resources are preserved so the citizens of Minnesota can enjoy them for generations to come.

I also recognize that industry is far too often viewed as being insensitive to the environment. I am a firm believer that there is room to achieve growth, while protecting the environment.

I thank you in advance for your consideration of this matter.

Sincerely,

David Ybarra II, President
Minnesota Pipe Trades Assn
