To Whom It May Concern:

I have served on the Board of School Administrators since appointed by Governor Mark Dayton in March 2014. I represent the Minnesota Elementary Principals' Association where I currently serve as President-Elect. During my tenure, I have served on the Professional Development & Program Review Committee, the Licensing Committee and I have been an alternate on the Ethics Committee. Participation on the Board of School Administrators is a significant amount of work, and yet is extremely valuable for the educational administrators across the state of Minnesota. I believe our children deserve the best leaders that we can offer. I also feel that my participation is important as a person of color working as an elementary principal.

I would truly appreciate the opportunity to continue my work on the board and serve our educational leaders in Minnesota. I have the time, knowledge, desire and energy to serve in this capacity.

Please let me know if you have any questions regarding my service on BOSA.

Sincerely,

Nancy Antoine
