To Whom It May Concern,

I would like to ask for re-appointment to the MN Board of Animal Health. I had submitted my application a year ago, on December 4, 2018, but has since been dropped from the website.

I have served on this board for the past nine years and the last three years as the chairman. My fellow board members have encouraged me to apply for re-appointment. I also have the support of the MN Pork Producers and the MN Livestock Breeders to continue my efforts on the Board of Animal Health. I have certainly enjoyed the work of the Board and would appreciate the opportunity to serve another term.

Please accept the enclosed resume for my re-appointment to the MN Board of Animal Health.

Sincerely,

Dean Compart
