Governor Walz  
State of Minnesota  
75 Reverend Dr. Martin Luther King Jr. Boulevard  
Saint Paul, MN 55155

Dear Governor Walz:

I am asking that you please accept this letter as my heartfelt interest in seeking reappointment to the Emergency Medical Services Board (EMSRB) as the Metro Regions Emergency Medical Services (MESB) Representative. Additionally I would embrace the opportunity to continue in the position of Chair of the Board.

I have had the honor as serving as the Metro Region Representative and the chair for the past four years. In that time the board and executive director have been successful in turning the EMSRB around. The EMSRB now focuses on its mission: To protect the public's health and safety through regulation and support of the EMS system. We have worked to put the people of Minnesota first.

I am proud that we also have concentrated on vastly improving the relationship between the board and out state Minnesota. We have come a long way but have much more to do to improve those relationships.

I am currently the EMS Commander for the City of Woodbury, where I have been since 2002. I have served as a paramedic in Minnesota for over 30 years. I have also educated many of the paramedics in the state for all corners and regions of the state.

Governor Walz, it would be an honor to be re-appointed to the board. I am honored and humbled to be considered by you and look forward to answering any questions you or your staff may have.

Sincerely,  
John "J.B." Guiton
