Board of High Pressure Piping

Re: Application for Board Position

March 21, 2017

Gentlemen:

I would like to apply for the licensed mechanical engineer position on the Board of High Pressure Piping. Please see the attached resume for work experience and project experience. During my 31 years working at Corval Group/New Mech Companies I have been involved in ASME application and recertification of our S, U and R stamps. I work with our industrial refrigeration group on ammonia piping design and have performed a number of calculations for the repair of ASME vessels.

Please call or email with questions or comments.

Thank you

Kent Schneider, PE

Senior Engineer

Corval Group
