Dear Minnesota State Board,

As an accomplished professional with 15 years of industry experience, I feel I'd be an integral team member as part of the Minnesota State High Pressure Piping Industry Board. My past experience and training would add value to the Board and I am excited for the opportunity to be a valuable contributing member of the board's team members.

In my current role as the industrial department lead at Cool Air Mechanical, Inc. I have gained the applicable knowledge and experience that will relate to this committee which will allow me to contribute right away. The following are a few highlights of my professional skills and achievements that I hope to bring to the Board.

- Professional Engineer in State of Minnesota
- Obtained high pressure piping license in State of Minnesota
- Designed greenfield high pressure steam system for salt manufacturing food process facility
- Designed vast arrays of ammonia refrigeration projects at Cool Air Mechanical, Inc.

I would be more than happy to speak with the current Board members to discuss my background and how it impact your organization's success. I look forward to hear from you, and thank you for your time.

Sincerely,

Mark Worms P.E.
