Department of Labor and Industry

I am writing to express my interest in the position on the State Board of Electricity. I have served on the Board for two terms and am interested in a third term.

I have been in the electric utility industry for almost 40 years. I am currently the Manager of Operations at East Central Energy. We are an electric cooperative the serves over 60,000 members in East Central Minnesota and north west Wisconsin.

I would like the opportunity to serve on the State Board of Electricity

Thank you for your consideration.
