Minnesota Rural Finance Authority
St Paul MN

Dear Minnesota Rural Finance Authority:

I am looking forward to perhaps joining the Rural Finance Authority. For the last twenty years working on our dairy farm, I have had many great experiences visiting with other farmers from around the state. I have also enjoyed working with organizations to promote and educate, in all different types agriculture across the state. From the timber industry, to swine, turkeys, and sugar beets, everyone has an opportunity to enhance their area of the state within their industry. Equally, small towns and cities need to remain robust for the future of the rural residents.

I believe this would be a unique opportunity to make improvements in rural areas that will ultimately benefit the entire state.

Sincerely,

Shelly DePestel
