Minnesota Department of Labor and Industry
Board of Electricity

February 25, 2020

To whom it may concern:

I am applying for the open PLT/Tech System Contractor seat on the Minnesota Board of Electricity.

I hold a PLT license (#PL011312) since May 2008 and have been employed by AVI-SPL (Signal Perfection, Ltd.), a Tech Systems Contractor (TS001948) since 1998.

Since 2001 I have been aware of and interested in the workings of the board. As a long-time native-born resident of the state of Minnesota I feel the need to give something back to the industry that has provided my livelihood for the majority of my life and believe I have knowledge and skills that could be useful on the Board.

Feel free to contact me with any questions or for more information about me.

Thank you for your consideration.

Sincerely,

Todd J Huttner
