Dear Governor Walz,

I am writing to express my sincere interest of the Professional Firefighter position on the Emergency Medical Services Regulatory Board (EMSRB). I am a passionate supporter of emergency medical services (EMS) and a fully engaged employee of the Minneapolis Fire Department.

In my current role as Deputy Chief of EMS for the Minneapolis Fire Department, my responsibilities have given me familiarity and extensive knowledge of the duties of the EMSRB. This position would increase my understanding of the Minnesota Statutes chapter 144E and Minnesota Rules chapter 4690, while also allowing me to contribute to the improvement of the access, delivery and effectiveness of the state's emergency medical services delivery system.

One of my professional goals has been to obtain a position on the EMSRB board. I feel the position of Professional Firefighter is an ideal fit for me, where I could use my 20 plus years of professional experience and extensive education to further assist in protecting the public's health and safety through regulation and support of the EMS system. In addition to my experience and education, I also have strong interpersonal and leadership skills. I am a hard-working, dedicated individual who is prepared for the challenges associated with this position.

If chosen for the Professional Firefighter board position, I would serve collaboratively, and with inclusion, consistency, efficiency, trust and fairness. Please review my attached resume for additional details regarding my expertise and career achievements. Thank you for the consideration.

Sincerely,

Deputy Chief Amber Lage
