To Whom It May Concern:

I am writing to request consideration for a second term as a Journeyworker Electrician on the State Board of Electricity.

I have worked in the electrical industry for the last 35 years. In that time, I have graduated from Dunwoody Institute, completed the 4-year apprenticeship program through IBEW Local 292, and passed my MN Journeyman's class A electrical license test. I have worked in the field for the vast majority of my career. I also have experience working within the office setting as an officer of IBEW Local 292. With my many experiences, including sitting on the State Board of Electricity for one term, I have a great understanding of what challenges the electrical Industry faces now and in the future.

Please see my attached resume for a more detailed accounting of my work and education history.

Please contact me with any additional questions you may have. I am looking forward to serving a second term on the State Board of Electricity.

Sincerely,

Peter R Lindahl
