Emergency Medical Services Board
2829 University Avenue Southeast, #310
Minneapolis, Minnesota 55414

Dear Emergency Medical Services Board:

With 20 years in emergency medical services, I have a passion for ensuring our patients receive quality care from our staff. Quality of care starts with training, followed by robust policies and guidelines. Furthermore, quality care adheres to the statutes and rules adopted by this state.

I would love the opportunity to be a member of the Emergency Medical Services Board representing rural Minnesota services. The majority of my background is mainly with rural ambulance services with some experience in the metro areas. With a varied background, I feel I can represent all services in Minnesota and support the mission of the Emergency Medical Services Board.

Sincerely,

Timothy Malchow
