RECEIVED

APR 5 2022

Governor Walz:

I would like to be considered for an open Member seat, on the Board of the Perpich Center for Arts Education. **President of the Senate**

I have worked to serve public education in Minnesota, for more than 45 years, by positively contributing to the lives of children, families, and communities. During my extensive career in public education, I have held several titles including superintendent, principal, assistant principal, director of mental health, school psychologist, director of special education, associate professor, and high-school teacher.

In 2013, I was appointed to serve as the Executive Director of the Minnesota Board of School Administrators. During my tenure with the Board, I worked closely with the Governor's staff and elected officials in the state legislature to carry education issues forward. I was successful in leading accreditation efforts for state colleges and universities and assisted in establishing high standards of conduct for all licensed administrators.

I have been an active member in professional organizations such as the Minnesota Association of School Administrators (MASA), Association of Metropolitan School Districts, Minnesota School Boards Association, Minnesota Administrators for Special Education, Minnesota Rural Education Association, American Association of School Administrators, Association for Supervision and Curriculum Development, National and Minnesota Association of School Psychologists, Minnesota and National Principals Associations, Education Minnesota, and the National Education Association.

During the past 30 years, I have had the opportunity to serve on several professional boards and committees such as: Director, Minnesota Association of School Administrators, Chair of the Benedictine Health Care System in Duluth, MN; Chair of the St. Mary's Hospital Board in Detroit Lakes, MN; Director of the Fairview Ridges Hospital in Burnsville, MN and Chair of the Lead Quality and Medical Staff Credentialing; Director of Rotary International; Vice-Chair of the University of Wisconsin-Superior Foundation Board; Chair of the United Methodist Church Council; Vice-Chair of the SJE Rhombus Manufacturing Corporation; Director of Young Life; Co-Owner of Worldwide Brochures and Mohr Manufacturing; and President of the Intra-American Student Programs.

I have been very fortunate to have received honors and awards from organizations I have had the privilege to work with, over the years. Recognitions include MASA's Administrator of Excellence Award, Benedictine Health System's Trustee of the Year

Award, and Minnesota School Psychologist Association's School Psychologist of Excellence Award. I was also nominated for the Minnesota Small Business Administration's Entrepreneur of the Year Award, for innovations in technology and was honored to present research at the National Association of School Psychologist Conference in Washington D.C.

In 2019, the Minnesota Association of School Administrators (MASA) granted me the *Distinguished Service Award* for my support of the children of Minnesota and for my contributions in activities that have improved Minnesota's public education system. I was also honored to present the commencement address, to the 2019 class of graduates, at the University of Wisconsin- Superior.

I trust that my experience in education and community service will qualify me to serve as a Member of the Perpich Center for Arts Education.

I have included my VITA with this application, however, if you have questions or need additional information, please contact me at 218-841-3675 or via email at janetmohr@comcast.net.

Thank you for your time and consideration of this application.

Sincerely,

Janet L. Mohr
Retired, Minnesota Board of School Administrators, Executive Director
