Dear Barry and MHEFA Board,

Please consider my application for Member, Minnesota Higher Education Facilities Authority (MHEFA). I greatly enjoyed my time as general board member from 2019 to the present and feel that I made a good contribution to the Board.

To reiterate my qualifications, I have a great knowledge in municipal finance and a knowledge of the Authority. I retired from Wells Fargo Bank in April 2018 after 15 years as a Corporate Trust Administrator. During that time, I was assigned as trustee for the portfolio of MHEFA bonds that Wells Fargo administered, as well as many other large issuers. I have a thorough understanding of the various parties involved in the MHEFA financing transactions. I traded municipal bonds at Dain Rauscher prior to my time at Wells Fargo, including MHEFA bonds. In addition, I attended one of the state's higher education facilities as a grad student, the University of St. Thomas. I am community minded and would love to pay back the community as a member of the Authority. I have a passion to learn and increase my skills, and to share my knowledge.

Again, please consider my second application to be a general board member.

Yours truly,

Bonnie Anderson Rons
