Strongly self-directed and collaborative, with a drive to continuously improve performance and project/operational efficiency, I am proud of the work I've done over the last 15+ years with the district .

Below are some examples of the value I can bring to the Perpich board:

- Compassionate and motivating leader with an excellent track record of hiring and developing professionals who love their work and feel supported.
- Outstanding critical thinking and investigation skills to fully understand and address challenges in systems coupled with the ability to assemble working groups to collectively solve those challenges.
- Build collegial and supporting relationships.

I look forward to speaking with your staff and learning more about the opportunity to serve on Perpich Center's Board. Until then, thank you for your time and consideration.
