MN Rural Finance Authority
Matthew McDevitt
625 Robert Street North
St. Paul, MN 55155
matthew.mcdevitt@state.mn.us

Dear Mr. McDevitt:

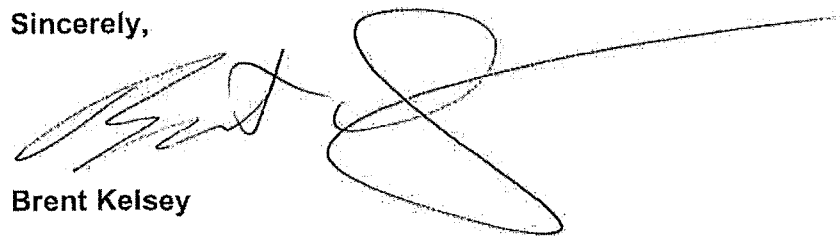

I am honored to have the opportunity to apply for the Public Board position for the MN Rural Finance Authority. As you know, I work for Compeer Financial and have had a voice in the legislative hurdles in helping to get funding for the RFA. Not only do I help Beginning Farmers navigate the RFA programs daily at Compeer, but I also personally feel very strongly that the RFA and the work it does for Beginning Farmers is invaluable to Agriculture and Rural MN.

At Compeer I am the government loan credit specialist and liaison dealing with both RFA and FSA concerns, etc., while also working one on one with our beginning farmer clients to help navigate these vital programs to get new, beginning farmers operating in our State.

Personally, I also have a very strong connection to the value RFA programs have for our beginning farmer clients. Back in 2010, both my husband and myself, before we even knew each other, both utilized the RFA participation programs in conjunction with the FSA Beginning Farmer programs, to help each of us buy our first farms. And we both each utilized the programs a second time to purchase our second farms. We both firmly believe without the RFA programs, we would not have had the success we have had ten plus years later.

I have had the fortunate opportunities to experience both the RFA & FSA programs both personally, and professionally. This has helped me to assist countless other Beginning Farmers do the same. I feel with this experience, I would be a great fit for the RFA Board where I can help guide countless more Beginning Farmers.

Sincerely,

Brent Kelsey
