Minnesota State High Pressure Piping

RE: High Pressure Piping Journeyworker - Non-metro Position

To whom it may concern,

Please consider my application for the High Pressure Piping Journeyworker - Non-metro position. I believe that my skillset and experience match well with your needs. I have included my resume for your review.

I am an experienced High Pressure Piping Journeyworker with demonstrated skills working in the piping industry for over 20 years. I currently work with both piping contractors and Pipefitter members and currently serve on the Minnesota high pressure piping board in the Journeyworker Non Metro position. I am a dependable asset to the team, always punctual and determined to get the job done. I never waiver in my contribution to my team as I am always ready to help out my co-workers to achieve the end result.

I am a quick study with a dedication to keep learning and improving on what I know. Being highly organized and detail-oriented makes it easier to manage my own time for the success of the team.

I've attached my resume with additional details of my work experience and qualifications. If you have any questions, please feel free to contact me.

Sincerely,
Jake Pettit
