Dear Governor Walz:

Please accept this application, resume, and letter of Intent for the position of Residential Plumbing Contractor Board of Plumbing (Second Term). In my current position, I serve as President of Stewart Plumbing, Inc., and have for the past twenty-four years. Within this capacity, I've worked with many journeyman and apprentice plumbers involved in the plumbing industry. I have worked with them in understanding and interpreting the plumbing codes. My professional capacity and my strong work ethic will hopefully make me an ideal candidate for this position. I thank you in advance for your time and consideration on this appointment.

Sincerely yours,
