MNsure Board Selection:

Please accept my application for a second term on the MNsure board of directors.

Over the past 4 years I have learned a great deal about health care needs of Minnesotans and the key role that MNsure plays in helping families obtain quality health care. During my first term on the MNsure board I have served as the chair of the finance committee and the vice chair of the board. I am also currently working on the CEO selection committee for the replacement of the MNsure CEO.

I have enjoyed this work and would be honored to serve another term. I would welcome an opportunity to provide any additional information you may require.

Sincerely,

Stephanie Stoffel
