The honorable Governor Tim Walz

130 State Capitol

St. Paul, MN 55155

Dear Governor Walz,

I am applying to the public member position on the Rural Finance Authority (RFA) Board. The RFA lending programs through the Minnesota Department of Agriculture are very important to the family farmers of Minnesota. The programs cover a wide swath from beginning farmers to disaster relief and are instrumental in helping more family farmers not only get into farming but also to stay on the farm.

I believe my years of experience of being on the RFA board, running my own farming operation and now as President of Minnesota Farmers Union will be a benefit to continue serving on the RFA board.

I appreciate the opportunity to reapply to serve on this board and look forward to helping Minnesota 's family farmers.

Sincerely,

Gary Wertish, President

Minnesota Farmers Union
