President of the Senate

Dear Governor Walz,

I am seeking reappointment to the State Board of Electricity for a second term. My contact with and involvement in the electrical industry in Minnesota make me a perfect candidate for this position. I have been involved with the electrical industry for the past twenty-six years. I have touch several facets of the industry including as an electrical trade school student, an apprentice electrician, a licensed journeyman and master electrician, and an employee and elected leader of a large electrical trade union, among others. I am excited to work on the Board of Electricity and, through the Board's work, we are helping Minnesota lead the nation with respect to electrical licensing, permitting, and safety. Please take my commitment to Minnesota's electrical industry into account when appointing board members for this critical board.

My interest in and dedication to the electrical industry in Minnesota is clear. I am passionate about this industry and I humbly ask you to reappoint me to the State Board of Electricity.

Thanks You,

 11/10/2023

Jeffrey J. Heimerl
