Dear Secretary of State:

I would be honored to be re-appointed to sit on the Plumbing board, under my current position of Metro Commercial/Industrial Journeyworker Plumber. I believe that Plumbers do protect the health of the nation. This can only be accomplished by having a strong Minnesota plumbing code, dedicated enforcement, and a skilled work force.

I have over a decade of experience in industrial plumbing and several years in commercial plumbing. If re-appointed I would be bringing not only my personal knowledge from the field. But also, the ability to work in a group in a professional manner . Sharing intellectual ideas and making decisions based on known facts. I would enjoy sharing in the challenges that you are going to face in the years to come.

Sincerely,

Jonathan Lemke
