S.F. No. 1114 – Frost Footing Depth Changes Adoption by Border Cities

Author: Senator Kent Eken

Prepared by: Carlon Doyle Fontaine, Senate Counsel (651/296-4395)
Joan White, Senate Counsel

Date: March 15, 2021

Section 1. **Municipal enforcement.** Authorizes border cities to adopt via ordinance building code provisions that are different from provisions of the State Building Code for frost footing depth to match the requirements of an adjacent municipality in a bordering state. Prohibits a municipality from adopting a frost footing depth that is lower than the minimum depth allowed in Zone II under Minnesota Rules.
