The bill expands the Alternatives to Incarceration Pilot program funded by the Community Services Division of the Department of Corrections and updates and expands the reporting requirement.

Section 1 deletes obsolete language, sets the grant amount per recipient at \$160,000, and updates and expands the commissioner's reporting requirement to the Legislature.

Section 2 is a blank appropriation to the Commissioner of Corrections for an Alternatives to Incarceration grant to Wright County.

This program was established by the 2017 Legislature and has an annual base funding of \$160,000. The sole grant recipient is Anoka County.
