S.F. No. 140 – Careless Driving Penalty (1st Engrossment)

Author: Senator Karin Housley

Prepared by: Alexis C. Stangl, Senate Counsel (651/296-4397)

Date: February 11, 2021

S.F. 140, as amended by the A-2 amendment, amends the careless driving law. The Judicial Council is prohibited from placing a violation of the careless driving law that causes great bodily harm or death on the uniform fine schedule (also sometimes called the “payables list”). Currently, a violation of **section 169.13, subdivision 2, paragraph (a)**, which is carelessly driving a vehicle on a street or highway, is on the uniform fine schedule.
