**S.F. 152** increases the fees for two-wheeled vehicle endorsements, often called motorcycle endorsements. The bill also consolidates all two-wheeled vehicle endorsement fees into **section 1** and specifies that **section 2** has the examination fee.

**Section 1. Two-wheeled endorsement fee.** The additional fee for an initial endorsement or a duplicate driver's license obtained for the purpose of adding an endorsement is increased from \$18.50 to \$26.50. Of this fee, \$19 goes to the motorcycle safety fund and \$7.50 goes to the general fund. The fee for each subsequent renewal with a motorcycle endorsement is increased from \$13 to \$17. Of this fee, \$11 goes to the motorcycle safety fund and \$6 goes to the general fund. These fees are in addition to the fee required to obtain a driver's license. This section is effective August 1, 2021.

**Section 2. Two-wheeled vehicle endorsement examination fee.** A person applying for an initial two-wheeled vehicle endorsement on a driver's license must pay a \$2.50 examination, the endorsement fee in **section 1**, and the appropriate driver's license fee. The \$2.50 fee is credited to the driver services operating account. This section is effective August 1, 2021.
