S.F. No. 1575 – Appropriating Money to the Board of Trustees of the Minnesota State Colleges and Universities (as proposed to be amended by the A-1 amendment)

Author: Senator Thomas M. Bakk

Prepared by: Joan White, Senate Counsel

Date: March 5, 2021

Senate File No. 1575 appropriates funds to the Board of Trustees of the Minnesota State Colleges and Universities for supplemental aid for operations and maintenance of each two-year institution with at least one campus that is not located in a metropolitan county. This bill requires the board to transfer \$200,000 for each campus in each year to the president of each institution. The amendment lifts the cap on funding, resulting in institutions with more than three campuses receiving funds for every campus.
