S.F. No. 1655 – Domestic Violence Pilot Program and Appropriation

Author: Senator Bruce D. Anderson

Prepared by: Chris Turner, Fiscal Analyst (651/296-4350)

Date: March 23, 2021

The bill appropriates \$150,000 in fiscal year 2022 from the general fund to the Commissioner of Public Safety to establish a pilot program to increase the completion rate of persons participating in person-centered, trauma-informed violence prevention programs by addressing the social and economic barriers that inhibit program completion.

The bill requires the grant recipient to provide the Office of Justice Programs two progress reports: the first on January 15, 2023, and the second on January 15, 2024.

By February 15, 2024, the Office of Justice Programs must provide a compilation of the two reports by the grantee to the Legislature.
