Eligibility to Include Nonpublic Schools**

Author: Senator Torrey N. Westrom

Prepared by: Joan White, Senate Counsel

Date: March 8, 2021

Senate File No. 1788 amends the teacher shortage loan forgiveness program, which provides up to \$1,000 annually to reduce qualified educational loans to teachers who are employed by a school district who teach in an identified teacher shortage area. This bill expands the definition of “school district” to include nonpublic schools, excluding a home school.
