S.F. No. 19 – Sales tax exemption nontoxic ammunition and fishing tackle (as proposed to be amended by the A-1 amendment)

Author: Senator Carrie Ruud

Prepared by: Nora Pollock, Senate Counsel (651/297-8066)

Date: February 3, 2021

This bill provides a sales tax exemption for nontoxic centerfire ammunition and nontoxic fishing tackle, which must contain no more than trace amounts of lead. Effective for sales and purchases made after June 30, 2021.
