S.F. No. 1975 – Adjusting Certain State Grant Parameters

Author: Senator David J. Tomassoni

Prepared by: Joan White, Senate Counsel

Date: March 10, 2021

Senate File No. 1975 amends the state grant program, which is based on shared responsibility model, in which the student, the student's family, and the government contribute to the cost of attendance.

Section 1 (136A.121, subd. 5) amends the grant stipend formula. Under current law, the student is expected to pay 50 percent of the cost of attendance. This bill reduces the student responsibility from 50 percent to 47 percent.

Section 2 is a blank appropriation for purposes of section 1.
