S.F. No. 226 – Labor and Industry Policy Bill (First Engrossment)

Author: Senator Jason Rarick

Prepared by: Carlon Doyle Fontaine, Senate Counsel (651/296-4395)

Date: March 8, 2021

S.F. No. 226 is the Department of Labor and Industry’s policy bill.

Section 1. Data on individuals who are minors. Specifies that disclosure of data on minors is governed by a new section of law (Minnesota Statutes, section 181A.112) found in section 3 of the bill.

Section 2. Apprenticeship rules. Updates the citation to the federal regulations governing apprenticeships (to include equal employment opportunity in apprenticeship).

Section 3. Data on individuals who are minors. Specifies that when the commissioner of labor and industry collects data on individuals who are minors, the data are considered private data on individuals, except for data classified as public data as listed. Provides that data on minors maintains a classification as private data on individuals after the individual is no longer a minor.

Section 4. Membership. Adds two additional members to the Construction Codes Advisory Council to include a member with expertise in and engaged in the energy conservation industry and a member with expertise in and engaged in building accessibility.
