**S.F. No. 3 – February 2021 Budget Forecast Planning Estimates
Reduction – The First Engrossment**

Author: Senator Julie A. Rosen

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: January 26, 2021

Section 1 [Administrative Expenses Reduction] requires the Commissioner of Management and Budget to reduce estimates of administrative expenses paid from the general fund for each state agency, except the Department of Human Services and the Department of Veterans Affairs, by five percent each year in fiscal years 2022 through 2025, when preparing the February 2021 budget forecast. This section applies to departments, commissions, boards, or institutions in the executive branch, including Minnesota State Colleges and Universities.
