**S.F. No. 411 – State Government Positions Appropriations Reduction
– The First Engrossment**

Author: Senator Mary Kiffmeyer

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: February 3, 2021

SF 411 reduces appropriations to executive branch state agencies for the biennium ending June 30, 2023, for employment positions posted but not filled for 180 days from the initial posting of the position in fiscal years 2021, 2022, and 2023. The reductions are reflected in base budgets for fiscal years 2024 and 2025. These reductions will not be made for unfilled positions that require law enforcement training, are in public safety, or are with Minnesota State Colleges and Universities. The Commissioner of Management and Budget must report to the legislature on the amount of the reductions by agency.
