S.F. No. 578 – Wind energy and solar energy production tax calculation modification (Provision in the jurisdiction of the Committee on State Government Finance and Policy and Elections)

Author: Senator Bill Weber

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: March 1, 2021

This summary is directed to the provision in S.F. 578 that is in the jurisdiction of the Committee on State Government Finance and Policy and Elections.

Section 1, subdivision 2 [Rulemaking] requires the commissioner of revenue to amend rules in a specified way and authorizes the commissioner to use the good cause exemption to adopt this rule change. A rule adopted under this subdivision is not subject to the two-year limit on effectiveness of a rule adopted under the good cause exemption.
