S.F. No. 587 – Requiring that Layoffs of State Employees be Geographically Distributed – The First Engrossment

Author: Senator David J. Tomassoni

Prepared by: Stephanie James, Senate Counsel (651/296-0103)

Date: February 10, 2021

Section 1 [Geographic Distribution of State Employee Layoffs; 15.442] requires that when making personnel layoffs due to an anticipated budget deficit, an executive branch state agency must make personnel reductions so that the economies of the state outside of the Twin Cities metropolitan area are not disproportionately affected by the layoffs.
