**S.F. No. 672 – Department of Natural Resources Data on Minors
Classified as Private**

Author: Senator Carrie Ruud

Prepared by: Priyanka Premo, Senate Counsel (651/296-3317)

Date: February 16, 2021

S.F. 672 provides that the following data on minors collected by the Department of Natural Resources is private data on individuals: name, birthdate, social security numbers, email address, physical or mailing address, location data, online account access information, data associated with the location of electronic devices, and other identifying data. This bill does not apply to data that is made public under **section 13.43**, a statute governing personnel data. This bill provides that data under this section maintains the privacy classification after the individual is no longer a minor.
