**Section 1 [Federal Funds; Suspension of Statutory Appropriation]** requires that federal funds received by the state for COVID-19 between the effective date and June 30, 2022, be spent only through a direct appropriation in law. The typical statutory processes for spending federal funds, through approval of the Legislative Advisory Commission, will not be applicable to these federal funds. This section does not apply to appropriations of federal funds enacted in 2020, the Seventh Special Session.
